STARLING COMMUNITY DEVELOPMENT DISTRICT

MASTER ENGINEER'S REPORT

1. INTRODUCTION

The purpose of this report is to provide a description of the capital improvement plan ("CIP") and estimated costs of the CIP, for the Starling Community Development District ("District").

2. GENERAL SITE DESCRIPTION

The District consists of 296.63 acres of land and is located entirely within Charlotte County, Florida. The site is generally located on the east side of Burnt Store Road in Charlotte County, Florida. The project lies within Section 16, Township 42 South, Range 23 East. Please refer to Exhibit 1: Location Map.

3. PROPOSED CAPITAL IMPROVEMENT PLAN

The CIP is intended to provide public infrastructure improvements for the entire development. Please reference Exhibit 4: Proposed Development Plan. The following table shows the planned product types for the District:

TABLE 1: PRODUCT TYPES

Product Type	Total Units
42' LOTS	324
52' LOTS	302
62' LOTS	151
TOTAL	777

The public infrastructure for the project is as follows:

Roadway Improvements:

All roads within Starling are to be private and will be funded by the Developer and dedicated to the Homeowner's Association for ownership and maintenance. All roads will be designed and constructed in accordance with Charlotte County standards. Notwithstanding the same, the District will be provided access over the privately owned roadways for purposes of operating and maintaining the public improvements of this CIP.

There will be one (1) access point into the Starling community, the main entry off Burnt Store Road. There is a secondary emergency only access located on the far east side of the community that will connect to Green Gulf Blvd at a future time. County right of way improvements are needed off-site prior to a final connection being made.

Stormwater Management System:

The stormwater collection and outfall system are a combination of roadway curbs, curb inlets, pipe, control structures, and open lakes designed to treat and attenuate stormwater runoff from District lands. The stormwater system will be designed consistent with the applicable design requirements for stormwater/floodplain management systems. The District will finance, own, operate, and maintain the stormwater system, with the exception of the inlets and storm sewer systems that may be part of dedicated rights-of-way. Please refer to Exhibit 4A: Stormwater Plan.

NOTE: No private earthwork is included in the CIP. Accordingly, the District will not fund any costs of mass grading of lots or the transportation of any fill to such lots.

Water, Wastewater, and Reclaim Utilities:

As part of the CIP, the District intends to construct and/or acquire water, wastewater and reclaim infrastructure.

In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection. Please refer to Exhibit 4C: Potable Water Plan.

Wastewater improvements for the project will include an on-site gravity collection system, off-site and on-site force main, and on-site lift stations. Please refer to Exhibit 4B: Wastewater Plan.

Similarly, the reclaim water distribution system will be constructed to provide service for irrigation throughout the community.

The water and reclaim distribution and wastewater collection systems for all phases will be constructed and/or acquired by the District and then dedicated to a local, public utility provider for operation and maintenance. The CIP will only include laterals to the lot lines (i.e., point of connection).

Hardscape, Landscape, and Irrigation:

The District will fund landscaping, and hardscaping (i.e Perimeter walls) within District common areas and rights-of-way. All such landscaping and hardscaping will be owned, maintained, and funded by the District. Such infrastructure, to the extent that it is located in rights-of-way owned by a local general-purpose government, will be maintained pursuant to a right-of-way agreement or permit. Any landscaping or hardscaping systems behind hard-gated roads, if any, would not be financed by the District and instead would be privately installed and maintained.

Streetlights:

The Developer intends to lease streetlights through an agreement with a local utility provider and will fund the streetlights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the CIP.

Recreational Amenities:

Starling will have one (1) main recreational amenity campus for the exclusive use of Starling residents. The amenity location will provide the typical programming such as a clubhouse, pool, park, and sports courts. All amenity facilities are considered common elements for the benefit of the community and not part of the CIP. Further, all amenity facilities will be funded by the Developer to be owned and maintained by the POA. Although the CIP benefits the recreational amenities, they are not assessed pursuant to state law, as they are a common element for the Starling development.

Environmental Conservation:

The District will provide on-site conservation areas in order to offset wetland impacts associated with the construction of the development. The Developer will be responsible for the design, permitting, and construction. The District will be responsible for the maintenance, and government reporting of the environmental mitigation. These costs are included within the CIP.

Off-Site Improvements:

Off-site improvements include right and left turn lanes and roadway expansion of Burnt Store Road, as well as a proposed signalized intersection. These costs are included within the CIP.

Professional Services:

The CIP also includes various professional services. These include: (i) engineering, surveying, and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

NOTE: In the event that impact fee credits are generated from any roadway, utilities or other improvements funded by the District, any such credits, if any, will be the subject of an acquisition agreement between the applicable developer and the District.

4. PERMITTING/CONSTRUCTION COMMENCEMENT

All necessary permits for the construction of Phase 1 of the CIP have either been obtained or are currently under review by respective governmental authorities, and include the following:

- Charlotte County

5. CIP COST ESTIMATE / MAINTENANCE RESPONSIBILITIES

The table below presents, among other things, a cost estimate for the CIP. It is our professional opinion that the costs set forth below are reasonable and consistent with market pricing.

TABLE 2: CIP COST ESTIMATE

Off-Site Road Improvements	\$1,000,000.00	CDD	County
Professional Services & Permit Fees	\$5,316,000.00	Developer/CDD	N/A
Contingency (10%)	\$3,071,900.00	N/A	N/A
TOTAL	\$33,790,900.00		

- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the CIP.
- c. The District may enter into an agreement with a third-party, or an applicable property owner's or homeowner's association, to maintain any District-owned improvements, subject to the approval of the District's bond counsel.
- d. Certain roadways will be gated. The CDD will only finance utilities and stormwater improvements behind such gated areas.

6. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- The estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- All of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- The CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- The assessable property within the District will receive a special benefit from the CIP that is at least equal to such costs.

Also, the CIP will constitute a system of improvements that will provide benefits, both general, and special and peculiar, to all lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enables properties within its boundaries to be developed.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the CIP or the fair market value.

Please note that the CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Supplemental Special Assessment Methodology Report (the "Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated May 1, 2024. This Supplemental Report was developed specifically to provide a supplemental financing plan and a supplemental special assessment methodology for funding a portion of the costs of the public infrastructure improvements (the "Capital Improvement Plan") contemplated to be provided by the Starling Community Development District (the "District"), located in unincorporated Charlotte County, Florida.

1.2 Scope of the Supplemental Report

This Supplemental Report presents projections for financing a portion of the District's Capital Improvement Plan as described in the Engineer's Report of Atwell, LLC dated April 2024 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and partial funding of the Capital Improvement Plan by the District.

1.3 Special Benefits and General Benefits

Improvements undertaken and funded in part by the District as part of the Capital Improvement Plan create special and peculiar benefits, different in kind and degree than general benefits, for properties outside its borders as well as general benefits to the public at large. However, as discussed within this Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's Capital Improvement Plan enables properties within its boundaries to be developed.

There is no doubt that the general public, property owners, and property outside the District will benefit from the provision of the Capital Improvement Plan. However, these benefits are only incidental since the Capital Improvement Plan is designed solely to provide special benefits peculiar to property within the District. Properties outside the District are not directly served by the Capital Improvement Plan and do not depend upon the Capital Improvement Plan to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District

properties receive compared to those lying outside of the District's boundaries.

The Capital Improvement Plan will provide public infrastructure which is necessary in order to make the lands within the District developable and saleable. The installation of such public improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the Capital Improvement Plan. Even though the exact value of the benefits provided by the Capital Improvement Plan is hard to estimate at this point, it is without doubt greater than the costs associated with providing the same.

1.4 Organization of the Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Capital Improvement Plan as determined by the District Engineer.

Section Four discusses the proposed financing program for the District.

Section Five discusses the special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District serves the Starling development (the "Development" or "Starling"), a master planned, residential development located in unincorporated Charlotte County, Florida. The land within the District consists of approximately 296.63 +/- acres and is generally located on the east side of Burnt Store Road in Charlotte County, Florida. The project lies within Section 16, Township 42 South, Range 23 East.

2.2 The Development Program

The development of Starling is anticipated to be conducted by Taylor Morrison of Florida, Inc., or an affiliated entity (the "Developer"). Based upon the information provided by the Developer, the original

current development plan for the District envisioned a total of 774 residential dwelling units, with a mix of 324 SF 42' residential units, 302 SF 52' residential units and 151 SF 62' residential units, however, the current, revised, development plan envisions a total of 774 residential dwelling units, with a mix of 324 SF 42' residential units, 288 SF 52' residential units and 162 SF 62' residential units developed in one phase, although land use types and unit numbers may change throughout the development period. Table 1 in the *Appendix* illustrates the current development plan for the District.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Capital Improvement Plan

The Capital Improvement Plan needed to serve the Development is projected to consist of earthwork for stormwater management, stormwater management systems, potable water systems, sanitary sewer systems, perimeter walls, perimeter landscaping, environmental/wetland mitigation, off-site road improvements, professional services and permit fees and contingency, all as set forth in more detail in the Engineer's Report.

The Capital Improvement Plan is anticipated to be developed in one or more phases to coincide with and support the development of the land within the District and all of the public infrastructure included in the Capital Improvement Plan will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another. At the time of this writing, the total costs of the Capital Improvement Plan are estimated at \$33,790,900. Table 2 in the *Appendix* illustrates the specific components of the Capital Improvement Plan and their costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. The choice of the exact mechanism for providing public infrastructure has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue an estimated \$12,690,000 in par amount of Special Assessment Revenue Bonds, Series 2025 (the "Series 2025 Bonds") to fund an estimated \$10,900,000 in costs of the Capital Improvement Plan. Additional improvements will be contributed to the District at no cost to the District under a Completion Agreement that will be entered into by the Developer and the District.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Series 2025 Bonds in the estimated principal amount of \$12,690,000 to finance costs in the estimated amount of \$10,900,000. The Series 2025 Bonds are projected to be amortized in 30 annual installments following an approximately 14-month capitalized interest period. Interest payments on the Series 2025 Bonds are projected to be made every May 1 and November 1, and principal payments on the Series 2025 Bonds are projected to be made every May 1.

In order to finance a portion of the costs of the Capital Improvement Project, the District will need to borrow more funds and incur indebtedness in the total estimated amount of \$12,690,000. The difference is comprised of debt service reserve, capitalized interest, and costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2025 Bonds are presented in Table 3 in the *Appendix*.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2025 Bonds provides the District with a portion of the funds necessary to construct/acquire the infrastructure improvements which are part of the Capital Improvement Plan outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These public improvements lead to special and general benefits, with special benefits accruing to properties within the boundaries of the District. General benefits accrue to areas outside the District, but are only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Capital Improvement Plan. All properties that receive special benefits from the Capital Improvement Plan will be assessed for their fair share of the debt issued in order to finance the Capital Improvement Plan.

5.2 Benefit Allocation

The current, revised, development plan envisions a total of 774 residential dwelling units, with a mix of 324 SF 42' residential units, 288 SF 52' residential units and 162 SF 62' residential units developed in one, although unit numbers and land use types may change throughout the development period.

The public infrastructure included in the Capital Improvement Plan will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and such public improvements will be interrelated such that they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the public improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of public improvements.

As stated previously, the public infrastructure improvements included in the Capital Improvement Plan have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem

assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

Following the Original Report, this Supplemental Report proposes to allocate the benefit associated with the Capital Improvement Plan to the different product types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product types contemplated to be developed within the District based on the densities of development and the intensities of use of infrastructure, total ERU counts for each product type, and the share of the benefit received by each product type.

The rationale behind the different ERU weights is supported by the fact that generally and on average products with smaller lot sizes, such as SF 42' units, will use and benefit from the improvements which are part of the Capital Improvement Plan less than products with larger lot sizes, such as SF 62' units. For instance, generally and on average products with smaller lot sizes, such as SF 42' units, will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than products with larger lot sizes, such as SF 62' units. Additionally, the value of the products with larger lot sizes, such as SF 62' units, is likely to appreciate by more in terms of dollars than that of the products with smaller lot sizes, such as SF 42' units, as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by each product type from the District's public infrastructure improvements that are part of the Capital Improvement Plan.

In order to facilitate the marketing of the residential units within the District, the Developer requested that the District limit the amounts of annual assessments for debt service on the Series 2025 Bonds to certain predetermined levels. Table 5 in the *Appendix* presents the allocation of the Capital Improvement Plan costs to the various land uses proposed to be developed within the District based on the ERU benefit allocation factors present in Table 4 in the *Appendix*. Further, Table 5 illustrates the approximate costs of the Capital Improvement

Plan that are projected to be financed with the Series 2025 Bonds, and the approximate costs of the Series 2025 Project to be contributed by the Developer. In order to accomplish that goal, the Developer will contribute infrastructure improvements valued at an estimated \$22,890,900 as indicated in Table 5.

Table 6 in the *Appendix* presents the apportionment of the assessment associated with the Series 2025 Bonds (the “Series 2025 Bond Assessments”) in accordance with the ERU benefit allocation method presented in Table 4 in the *Appendix* as modified by the effects of Developer’s contributions of infrastructure improvements.

Amenities - No Series 2025 Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner’s association or a master property owner’s association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District.

Governmental Property - Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Series 2025 Bond Assessments without specific consent thereto. If at any time, any real property on which Series 2025 Bond Assessments are imposed is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity, all future unpaid Series 2025 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer without any further action of the District.

5.3 Assigning Series 2025 Bond Assessments

As the land in the District is only partially platted, the Series 2025 Bond Assessments will be allocated to each platted parcel based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix*. As a total of 261 SF 42’, 78 SF 52’ and 68 SF 62’ have already been platted, these platted lots will be allocated an estimated amount of \$6,318,718.55. Further, as the balance of the land in the District is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Series 2025 Bond Assessments in the estimated amount of \$6,371,281.45 will initially be levied on all of the remaining developable land in the District on an equal pro-rata acre basis and thus \$6,371,281.45 will be preliminarily levied on approximately 129.81 +/- acres at a rate of \$49,081.59 per acre.

When the remaining land is platted, the Series 2025 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix*. Such allocation of Series 2025 Bond Assessments from unplatted acres to platted parcels will reduce the amounts of Series 2025 Bond Assessments levied on unplatted acres within the District.

Further, to the extent that any residential land which has not been platted is sold to another developer or builder, the Series 2025 Bond Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amounts of Series 2025 Bond Assessments transferred at sale.

Transferred Property - In the event unplatted land (the “Transferred Property”) is sold to a third party not affiliated with the Developer, the Series 2025 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2025 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Series 2025 Bond Assessments is fixed to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Series 2025 Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the Methodology as described herein (i.e. equal assessment per acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Public improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the

District. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The public improvements which are part of the Capital Improvement Plan make the land in the District developable and saleable and when implemented as part of the Capital Improvement Plan, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various product types from the public improvements is delineated in Table 4 (expressed as the ERU factors).

The apportionment of the Series 2025 Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Capital Improvement Plan.

Accordingly, no acre or parcel of property within the District will be lienied for the payment of Series 2025 Bond Assessments more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units ("ERUs") as set forth in Table 4 in the Appendix ("Development Plan"). At such time as lands are to be platted (or replatted) or site plans are to be approved (or re-approved), the plat or

site plan (either, herein, “Proposed Plat”) shall be presented to the District for a “true-up” review as follows:

a. If a Proposed Plat within the District results in the same amount of ERUs (and thus Series 2025 Bond Assessments) able to be imposed on the “Remaining Unplatted Developable Lands” within the District (i.e., those remaining unplatted developable lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2025 Bond Assessments to the product types being platted and the remaining property in accordance with this Supplemental Report, and cause the Series 2025 Bond Assessments to be recorded in the District’s Improvement Lien Book.

b. If a Proposed Plat within the District has more than the anticipated ERUs (and Series 2025 Bond Assessments) such that the Remaining Unplatted Developable Lands would be assigned fewer ERUs (and Series 2025 Bond Assessments) than originally contemplated in the Development Plan, then the District may undertake a pro rata reduction of Series 2025 Bond Assessments for all assessed properties within the District, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat within the District has fewer than the anticipated ERUs (and Series 2025 Bond Assessments) such that the Remaining Unplatted Developable Lands would have to be assigned more ERUs (and Series 2025 Bond Assessments) in order to fully assign all of the ERUs originally contemplated in the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a “True-Up Payment” equal to the difference between: (i) the Series 2025 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2025 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District’s Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Series 2025 Bond Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within the District, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the District, b) the revised, overall development plan showing the number and type of

units reasonably planned for within the District, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within the District, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat within the District, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Series 2025 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within the District, any unallocated Series 2025 Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Assessment Roll

The Bond Assessment in the estimated amount of 12,690,000 is proposed to be levied as described in *Exhibit "A"*. Excluding any capitalized interest period, debt service assessment shall be paid in thirty (30) annual installments.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Starling Community Development District, as follows:

Section 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meanings ascribed to them in the Indenture.

Section 2. Authorization. There are hereby authorized and directed to be issued the Series 2025 Bonds, in the aggregate principal amount of not to exceed \$14,000,000, for the purpose, among others, of providing funds for the payment of a portion of the Costs of the Capital Improvement Plan. The Series 2025 Bonds shall be secured by the Series 2025 Trust Estate as provided in the Indenture. The purchase price of the Series 2025 Bonds shall be received and receipted by the District, or the Trustee on behalf of the District, and the Trustee shall apply the proceeds of the Series 2025 Bonds as set forth in the First Supplement and the Limited Offering Memorandum (as defined below). The Series 2025 Bonds shall be dated, have such interest payment dates, have such maturities, have such redemption provisions and bear interest at such rates, all as provided in the Indenture. No Series 2025 Bonds shall be issued until such time as Final Judgment confirming the judicial validation of the Bonds has been entered and the period for appeal of such Final Judgment shall have expired with no appeal having been taken.

Section 3. First Supplement. The First Supplement is hereby approved in substantially the form attached hereto as **Exhibit A** and the Chair or the Vice Chair of the Board is hereby authorized and directed to execute and deliver such First Supplement on behalf of and in the name of the District and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and/or approved by the Chair or the Vice Chair executing the same, such execution to be conclusive evidence of such approval.

Section 4. Appointment of Underwriter; Negotiated Sale. MBS Capital Markets, LLC (the "Underwriter") is hereby appointed as the underwriter for the Series 2025 Bonds. The Series 2025 Bonds shall be sold pursuant to a negotiated sale to the Underwriter. It is hereby determined by the Board that a negotiated sale of the Series 2025 Bonds to the Underwriter is in the best interests of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2025 Bonds at presently favorable interest rates, and because the nature of the security for the Series 2025 Bonds and the source(s) of payment of Debt Service on the Series 2025 Bonds requires the participation of the Underwriter in structuring the Series 2025 Bond issue.

Section 5. Purchase Contract. The Board hereby approves the Purchase Contract submitted by the Underwriter in substantially the form attached as **Exhibit B**. The Chair or Vice Chair of the Board is hereby authorized to execute the Purchase Contract and to deliver the Purchase Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chair or Vice Chair; provided, however, that (i) the principal amount of the Series 2025 Bonds shall not exceed \$14,000,000, (ii) the average net interest cost on the Series 2025 Bonds shall not exceed the maximum allowable by Section 215.84, Florida Statutes, (iii) the Series 2025 Bonds shall have a maturity date no later than May 1, 2057, or as provided by law, and (iv) the Underwriter's discount shall not exceed two percent (2.00%) of the aggregate principal amount of the Series 2025 Bonds, exclusive of any original issue discount and/or original issue premium. Execution by the Chair or Vice Chair of the Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The Board hereby approves the form of the Preliminary Limited Offering Memorandum attached hereto as **Exhibit C** and authorizes its distribution and use in connection with the limited offering for the sale of the Series 2025 Bonds. If between the date hereof and the mailing of the Preliminary Limited Offering Memorandum it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chair or Vice Chair is hereby authorized to approve such insertions, changes and modifications, and the Chair or Vice Chair is hereby authorized to deem the Preliminary Limited Offering Memorandum “final” within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 (the “Rule”). The preparation of a final Limited Offering Memorandum is hereby authorized and approved and the Chair or Vice Chair is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2025 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2025 Bonds. (c) There is hereby established within the Reserve Fund held by the Trustee a Series 2025 Reserve Account, which Series 2025 Reserve Account shall be held for the benefit of all Series 2025 Bonds, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another;

(d) There is hereby established within the Revenue Fund held by the Trustee a Series 2025 Revenue Account; and

(e) There is hereby established within the Rebate Fund held by the Trustee a Series 2025 Rebate Account.

The net proceeds of the sale of the Series 2025 Bonds, in the amount of \$_____ (consisting of \$_____ aggregate principal amount of Series 2025 Bonds, [less/plus] [net] original issue [discount/premium in the amount of _____], less an Underwriter's discount in the amount of \$_____), shall as soon as practicable upon the delivery thereof to the Trustee by or on behalf of the District, be applied as follows:

Section 403. Series 2025 Acquisition and Construction Account and Series 2025 Capitalized Interest Account.

(a) Amounts on deposit in the Series 2025 Acquisition and Construction Account shall be applied to pay Costs of the Capital Improvement Plan upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and the form attached as Exhibit A to the Master Indenture. The Trustee shall have no duty to review the requisition to determine if the amount requested is for payment of a cost permitted hereunder. Anything in the Master Indenture to the contrary notwithstanding, the Consulting Engineer shall establish a Date of Completion for the Capital Improvement Plan, and any balance remaining in the Series 2025 Acquisition and Construction Account (taking into account the moneys currently on deposit therein to pay any accrued but unpaid Costs of the Capital Improvement Plan which are required to be reserved in the Series 2025 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be deposited to the Series 2025 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 301 hereof and in the manner prescribed in the form of Series 2025 Bonds set forth as Exhibit B hereto. Notwithstanding the foregoing, the District shall not establish a Date of Completion for the Capital Improvement Plan until either (i) the Reserve Account Release Conditions have been satisfied and all moneys that have been transferred from the Series 2025 Reserve Account into the Series 2025 Acquisition and Construction Account as a result of such release conditions having been satisfied pursuant to Section 405 hereof have been expended on Costs of the Capital Improvement Plan or (ii) the Consulting Engineer has certified in writing to the District and the Trustee that the amounts on deposit in the Series 2025 Acquisition and Construction Account are in excess of the amounts needed to complete the Capital Improvement Plan. After there are no funds therein and either the Reserve Account Release Conditions have been met or the Date of Completion of the Capital Improvement Plan has been established, the Series 2025 Acquisition and Construction Account shall be closed.

(b) Amounts on deposit in the Series 2025 Capitalized Interest Account shall, on November 1, 2025, May 1, 2026, and November 1, 2026, be transferred into the Series 2025 Interest Account in each case in an amount equal to the lesser of (x) the amount of interest coming due on the Series 2025 Bonds on such Interest Payment Date, less the amount already on deposit in the Series 2025 Interest Account, or (y) the amount remaining in the Series 2025 Capitalized Interest Account. Such transferred amounts shall be applied to the payment of interest first coming due on the Series 2025 Bonds through and on November 1, 2026, and following November 1, 2026, amounts on deposit in the Series 2025 Capitalized Interest Account shall be transferred into the

Series 2025 Acquisition and Construction Account, whereupon the Series 2025 Capitalized Interest Account shall be closed.

Section 404. Series 2025 Costs of Issuance Account. The amount deposited in the Series 2025 Costs of Issuance Account shall, at the written direction of an Authorized Officer of the District, be used to pay the costs of issuance relating to the Series 2025 Bonds. On the date of issuance of the Series 2025 Bonds, initial costs of issuance shall be paid pursuant to the instructions in the closing memorandum prepared by the Underwriter and signed by an Authorized Officer of the District. On the earlier to occur of: (x) the written direction of an Authorized Officer of the District or (y) November 1, 2025, any amounts deposited in the Series 2025 Costs of Issuance Account which have not been requisitioned shall be transferred over and deposited into the Series 2025 Acquisition and Construction Account and used for the purposes permitted therefor, whereupon the Series 2025 Costs of Issuance Account shall be closed.

Section 405. Series 2025 Reserve Account. The Series 2025 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Reserve Account Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2025 Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account and the Series 2025 Sinking Fund Account to pay Debt Service on the Series 2025 Bonds, when due, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another, to the extent the moneys on deposit in such Accounts and available therefor are insufficient and for no other purpose. The Series 2025 Reserve Account shall consist only of cash and Investment Obligations.

Upon satisfaction of the Reserve Account Release Conditions, an Authorized Officer of the District shall provide the Reserve Release Certifications to the Trustee, upon which certifications the Trustee may conclusively rely, and thereupon an Authorized Officer of the District shall recalculate the Series 2025 Reserve Account Requirement and instruct the Trustee to transfer any excess as a result of having met the Reserve Account Release Conditions to the Series 2025 Acquisition and Construction Account to be used for the purposes of such Account unless the Series 2025 Acquisition and Construction Account has been closed in which case such excess shall be transferred to the Series 2025 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2025 Bonds.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the District shall recalculate the Series 2025 Reserve Account Requirement taking into account any Series 2025 Prepayment Principal on deposit in the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2025 Reserve Account in excess of the Series 2025 Reserve Account Requirement as a result of such Series 2025 Prepayment Principal to the Series 2025 Prepayment Subaccount as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel. Following the foregoing transfer, such amounts in the Series 2025 Prepayment Subaccount shall be applied to the extraordinary mandatory redemption of the

Series 2025 Bonds on the earliest date permitted for redemption therein and herein. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2025 Reserve Account, sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest on such Series 2025 Bonds to the earliest date of redemption permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2025 Reserve Account into the Series 2025 Prepayment Subaccount in the Series 2025 Redemption Account to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest date permitted for redemption therein and herein.

Anything in the Master Indenture or herein to the contrary notwithstanding, amounts on deposit in the Series 2025 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments. (a) The Amortization Installments established for the Series 2025 Bonds shall be as set forth in the form of Series 2025 Bonds attached hereto.

(b) Upon any redemption of Series 2025 Bonds (other than Series 2025 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2025 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the District shall cause the Amortization Installments for the Outstanding Series 2025 Bonds to be recalculated in such manner as shall amortize all of the Outstanding Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of each Series 2025 Bond.

Section 407. Tax Covenants. The District shall comply with the Tax Regulatory Covenants set forth in the tax certificate of the District issued in connection with the issuance of the Series 2025 Bonds, as amended and supplemented from time to time in accordance with their terms.

Section 408. Series 2025 Revenue Account; Application of Revenues and Investment Earnings. (a) The Trustee is hereby authorized and directed to deposit into the Series 2025 Revenue Account any and all amounts required to be deposited therein by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2025 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2025 Revenue Account the Series 2025 Pledged Revenues other than Series 2025 Prepayment Principal, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series

2025 Prepayment Subaccount in the Series 2025 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the District at the time of deposit with the Trustee, Series 2025 Pledged Revenues paid to the Trustee shall be deposited into the Series 2025 Revenue Account, and that Series 2025 Pledged Revenues which the District informs the Trustee constitute Series 2025 Prepayment Principal shall be deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2025 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Subaccount in accordance with the provisions for extraordinary redemption of the Series 2025 Bonds set forth in the form of Series 2025 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) Following the foregoing transfers, on each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2025 Interest Account of the Series 2025 Debt Service Account, an amount equal to the amount of interest payable on all Series 2025 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2025 Capitalized Interest Account in accordance with Section 403(b) hereof, and less any other amount already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, on May 1, 20__, and each May 1 thereafter, to the Series 2025 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2025 Bonds subject to mandatory sinking fund redemption on such May 1, and the amount already on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, to the Series 2025 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Account Requirement; and

FOURTH, the balance shall be retained in the Series 2025 Revenue Account.

(e) On any date required by the Tax Regulatory Covenants, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2025 Revenue Account to the Series 2025 Rebate Account established for the Series 2025 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing, if any, to the United States, which amount shall be paid, to the United States, when due, in accordance with such Tax Regulatory Covenants.

(f) On each November 2 (or if such November 2 is not a Business Day, on the next Business Day thereafter), the Trustee shall, at the written direction of the District, (i) if the Date of Completion of the Capital Improvement Plan has not been established, transfer to the Series 2025 Acquisition and Construction Account the balance on deposit in the Series 2025 Revenue Account on such November 2 to be used for the purpose of such Account or (ii) if the Date of Completion of the Capital Improvement Plan has been established, transfer to the District the balance on deposit in the Series 2025 Revenue Account on such November 2 to be used for any lawful District purpose; provided, however, that on the date of either such proposed transfer the Trustee shall not have received written notice of an Event of Default under the Indenture relating to the Series 2025 Bonds, including the payment of Trustee's fees and expenses then due.

(g) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2025 Bonds shall be invested only in Investment Obligations, and further, earnings on the Series 2025 Acquisition and Construction Account, the Series 2025 Interest Account and the Series 2025 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purposes of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2025 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2025 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2025 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2025 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account up to and through November 1, 2026, and thereafter earnings in the Series 2025 Reserve Account shall be allocated to and deposited into the Series 2025 Revenue Account and used for the purpose of such Account; and

(ii) if as of the last date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2025 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Reserve Account until the amount on

deposit therein is equal to the Series 2025 Reserve Account Requirement, and then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account up to and through November 1, 2026, and thereafter shall be allocated to and deposited into the Series 2025 Revenue Account and used for the purpose of such Account.

Notwithstanding the foregoing, if there is a deficiency in the Series 2025 Reserve Account, prior to the deposit of any earnings in the Series 2025 Revenue Account, the amount of such proposed transfer shall instead be deposited into the Series 2025 Reserve Account until the balance on deposit therein is equal to the Series 2025 Reserve Account Requirement.

ARTICLE V CONCERNING THE TRUSTEE

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth in the Master Indenture.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

ARTICLE VI ADDITIONAL BONDS

Section 601. No Parity Bonds; Limitation on Parity Assessments. The District covenants and agrees that so long as there are any Series 2025 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2025 Trust Estate other than Bonds issued to refund the Outstanding Series 2025 Bonds. The District further covenants and agrees that so long as the Series 2025 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds secured by Assessments on lands subject at such time to the Series 2025 Assessments without the consent of the Majority Owners; provided however, that the consent of the Majority Owners shall not be required if either: (i) the additional Assessments, when taking into account the Series 2025 Assessments, do not cause the aggregate annual debt service Assessments on such lands to exceed \$30.00 per front footage for each product type (by way of example, the aggregate debt service Assessments on a 50' lot could not exceed \$1,500), evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely, or (ii) the Series 2025 Assessments have been Substantially Absorbed, evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely. Notwithstanding the foregoing, the District shall not be precluded from issuing Additional Bonds secured by Assessments at any

time on property then subject to the Series 2025 Assessments which the District certifies are necessary for health, safety, and welfare reasons or to remediate a natural disaster.

ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2025 Bonds issued hereunder. To the extent of any conflict between the Master Indenture and this First Supplemental Indenture the terms and provisions hereof shall control.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but, instead shall be enforceable by mandamus, injunction or any other means of specific performance.

Section 703. Collection of Series 2025 Assessments. (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2025 Assessments levied on platted lots and pledged hereunder to secure the Series 2025 Bonds shall be collected pursuant to the "Uniform Method" prescribed by Florida Statutes and Series 2025 Assessments levied on unplatted lots and pledged hereunder to secure the Series 2025 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the District determines that it is in its best interest not to collect the Series 2025 Assessments pursuant to such method. The election to collect and enforce Series 2025 Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2025 Assessments pursuant to any other method permitted by law in any subsequent year. Notwithstanding the foregoing, upon the occurrence and continuance of an Event of Default, the collection of Series 2025 Assessments shall be in the manner directed by the Majority Owners or as directed by the Trustee acting at the direction of the Majority Owners.

(b) All Series 2025 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2025 Assessments shall not be deemed to be Delinquent Assessments unless and until such Series 2025 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

Section 704. Owner Direction and Consent with Respect to Series 2025 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2025 Bonds are secured solely by the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds comprising the Series 2025 Trust Estate. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (i) the Series 2025 Pledged Funds include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may not be used by the District (whether to pay Costs of the Capital Improvement Plan or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Capital Improvement Plan and payment is for such work, and (iii) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to construction of the Capital Improvement Plan after the occurrence of an Event of Default unless authorized in writing by the Majority Owners.

Section 705. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2025 Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment Methodology, and to levy the Series 2025 Assessments and any required true-up payments set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds, when due. The Assessment Methodology shall not be materially amended without the prior written consent of the Majority Owners. Notwithstanding the foregoing, amendments to the Assessment Methodology to account for new product types shall not require such consent.

Section 706. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, and without intending to alter the same, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2025 Bonds. The Trustee shall not become obligated to perform any duties because of such assignment.

Section 707. Enforcement of True-Up Agreement and Completion Agreement. The District, either through its own actions or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee

to enforce in its stead, all of the provisions of the True-Up Agreement and Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture without benefit of any period for cure.

Notwithstanding the foregoing, if any Interest Payment Date is not a Business Day (as defined in the Indenture hereinafter mentioned), then all amounts due on such Interest Payment Date shall be payable on the first Business Day succeeding such Interest Payment Date, but shall be deemed paid on such Interest Payment Date. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture (as hereinafter defined), be paid to the registered Owner hereof at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date, or, if such day is not a Business Day on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture (hereinafter defined), the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent (hereinafter defined) to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of this

The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2025 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2025 Trust Estate other than Bonds issued to refund the Outstanding Series 2025 Bonds. As more particularly set forth in the Indenture, any Series 2025 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2025 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2025 Bonds so as to reamortize the remaining Outstanding principal balance of the Series 2025 Bonds as set forth in the Supplemental Indenture.

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Quarterly Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the date of redemption as follows, if and to the extent that any one or more of the following have occurred:

(a) on or after the Date of Completion of the Capital Improvement Plan, by application of moneys transferred from the Series 2025 Acquisition and Construction Account in the Acquisition and Construction Fund established under the Indenture to the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account in accordance with the terms of the Indenture; or

(b) from amounts required by the Indenture to be deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account including, but not limited to, Series 2025 Prepayment Principal and any excess amounts in the Series 2025 Reserve Account as a result of the deposit of such Series 2025 Prepayment Principal and any excess amount on deposit in the Series 2025 Reserve Account resulting from a reduction of the Series 2025 Reserve Account Requirement; or

(c) on the date on which the amount on deposit in the Series 2025 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2025 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2025 Bonds shall be called for redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed shall, unless otherwise provided in the Indenture, be selected by lot by the Bond Registrar as provided in the Indenture.

Notice of each redemption of Series 2025 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2025 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2025 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2025 Bonds or such portions thereof on such date, interest on such Series 2025 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2025 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2025 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Master Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2025 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

The District hereby confirms that the Preliminary Limited Offering Memorandum was deemed final as of its date, except for the permitted omissions.

(b) The District shall deliver, or cause to be delivered, at its expense, to the Underwriter, within seven (7) business days after the date hereof, or use good faith to deliver within such shorter period as may be requested by the Underwriter and at least one (1) business day prior to the date of Closing, or within such other period as the Underwriter may inform the District which is necessary for the Underwriter to comply with regulations of the Municipal Securities Rulemaking Board ("MSRB") in order to accompany any confirmation that requests payment from any customer, sufficient copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum") to enable the Underwriter to fulfill its obligations pursuant to the securities laws of the State of Florida (the "State") and the United States, in form and substance satisfactory to the Underwriter. supplement the Limited Offering Memorandum in order to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter and if, in the reasonable opinion of the District or the Underwriter, such event requires the preparation and publication of an amendment or supplement to the Limited Offering Memorandum, the District, at its expense (unless such event was caused by the Underwriter), shall promptly prepare an appropriate amendment or supplement thereto (and file, or cause to be filed, the same with the MSRB, and mail such amendment or supplement to each record owner of Series 2025 Bonds) so that the statements in the Limited Offering Memorandum as so amended or supplemented will not, in light of the circumstances under which they were made, be misleading, in a form and in a manner reasonably approved by the Underwriter. The District will promptly notify the Underwriter of the occurrence of any event of which it has knowledge which, in its opinion, is an event described in the preceding sentence. The amendments or supplements that may be authorized for use with respect to the Series 2025 Bonds are hereinafter included within the term "Limited Offering Memorandum."

4. Authority of the Underwriter. The Underwriter is duly authorized to execute this Purchase Agreement and to perform its obligations hereunder. 5. Offering and Sale of Series 2025 Bonds. The Underwriter agrees to make a bona fide limited offering to "accredited investors" representing the general public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of all of the Series 2025 Bonds at not in excess of the initial public offering price or prices (or below the yield or yields) set forth in Exhibit A attached hereto; provided, however, that the Underwriter may (a) offer and sell the Series 2025 Bonds to certain bond houses, brokers or to similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices set forth in Exhibit A attached hereto, or (b) change such initial offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Series 2025 Bonds. The Underwriter agrees to assist the District in establishing the issue price as provided in Section 20 hereof.

The District hereby authorizes the Underwriter to use the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2025 Bonds and ratifies and confirms the distribution and use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with such limited public offering and sale.

(g) Other than any approvals that might be required under the securities laws of any state, no approval, permit, consent or authorization of, or registration or filing with, any governmental or public agency or authority or any other entity not already obtained or made, or to be obtained or made simultaneously with the issuance of the Series 2025 Bonds, is required to be obtained or made by the District in connection with the issuance and sale of the Series 2025 Bonds, or the execution and delivery by the District of, or the due performance of its obligations under, the Financing Documents to which it is a party and the Series 2025

Bonds, and any such approvals, permits, consents or authorizations so obtained are in full force and effect.

(h) Other than as disclosed in the Limited Offering Memorandum, the District is not in breach of or in default under any applicable constitutional provision, law or administrative regulation of the State or the United States, the Financing Documents to which it is a party, the Series 2025 Bonds or any applicable judgment or decree or any other loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, that could have a materially adverse effect on the business or operations of the District, and no event of default by the District has occurred and is continuing under any such instrument except as otherwise stated herein.

(i) The execution and delivery by the District of the Financing Documents, the Series 2025 Bonds and any other instrument to which the District is a party and which is used or contemplated for use in conjunction with the transactions contemplated by the Financing Documents, the Series 2025 Bonds, or the Limited Offering Memorandum, and the compliance with the provisions of each such instrument and the consummation of any transactions contemplated hereby and thereby, will not conflict with or constitute a breach of or default under any indenture, contract, agreement, or other instrument to which the District is a party or by which it is bound, or to the best of its knowledge under any provision of the Constitution of the State or any existing law, rule, regulation, ordinance, judgment, order or decree to which the District (or any of its supervisors or officers in their respective capacities as such) or its properties is subject.

(j) Except as disclosed in the Limited Offering Memorandum, there is no action, suit, hearing, inquiry or investigation, at law or in equity, before or by any court, public board, agency or body, pending or, to the best knowledge of the District, threatened against or affecting the District or any of its supervisors in their respective capacities as such, in which an unfavorable decision, ruling or finding would, in any material way, adversely affect (1) the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents or the Series 2025 Bonds, (2) the organization, existence or powers of the District or any of its supervisors or officers in their respective capacities as such, (3) the business, properties or assets or the condition, financial or otherwise, of the District, (4) the validity or enforceability of the Series 2025 Bonds, the Financing Documents to which it is a party, the Series 2025 Assessments or any other agreement or instrument to which the District is a party and which is used or contemplated for use in the transactions contemplated hereby or by the Indenture, (5) the exclusion from gross income for federal income tax purposes of the interest on the Series 2025 Bonds, (6) the exemption under the Act of the Series 2025 Bonds and the interest thereon from taxation imposed by the State, (7) the legality of investment in the Series 2025 Bonds for certain investors as provided in the Act, (8) the issuance, sale or delivery of the Series 2025 Bonds, or (9) the collection of the Series 2025 Assessments and the pledge thereof under the Indenture to pay the principal, premium, if any, or interest on the Series 2025 Bonds.

(k) The District has not issued, assumed or guaranteed any indebtedness, incurred any material liabilities, direct or contingent, or entered into any contract or arrangement of any kind payable from or secured by a pledge of the Series 2025 Trust Estate pledged to the

Series 2025 Bonds with a lien thereon prior to or on a parity with the lien of the Series 2025 Bonds.

(l) Between the date of this Purchase Agreement and the date of Closing, the District will not, without the prior written consent of the Underwriter, incur any material liabilities, direct or contingent, nor will there be any adverse change of a material nature in the financial position, results of operations or condition, financial or otherwise, of the District, other than (1) as contemplated by the Limited Offering Memorandum, or (2) in the ordinary course of business.

(m) Any certificates signed by any official of the District authorized to do so shall be deemed a representation and warranty by the District to the Underwriter as to the statements made therein.

(n) No representation or warranty by the District in this Purchase Agreement nor any statement, certificate, document or exhibit furnished or to be furnished by the District pursuant to this Purchase Agreement or the Limited Offering Memorandum or in connection with the transactions contemplated hereby contains or will contain on the date of Closing any untrue statement of a material fact or omits or will omit a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading; provided, however, that no representation is made with respect to information concerning The Depository Trust Company, the Underwriter, or concerning information in the Limited Offering Memorandum under the captions "SUITABILITY FOR INVESTMENT," "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "LITIGATION – Developer," "CONTINUING DISCLOSURE – Developer Continuing Compliance," and "UNDERWRITING."

(o) Except as disclosed in the Limited Offering Memorandum, the District is not in default and has not been in default at any time after December 31, 1975, as to principal or interest with respect to any obligations issued or guaranteed by the District.

7. The Closing. At 12:00 noon, New York time, on [Closing Date], or at such earlier or later time or date to which the District and the Underwriter may mutually agree, the District will, subject to the terms and conditions hereof, deliver the Series 2025 Bonds to the Underwriter in full book-entry form, duly executed, together with the other documents hereinafter mentioned, and, subject to the terms and conditions hereof, the Underwriter will accept such delivery and pay the aggregate purchase price of the Series 2025 Bonds as set forth in Section 1 hereof (such delivery of and payment for the Series 2025 Bonds is herein called the "Closing"). The District shall cause CUSIP identification numbers to be printed on the Series 2025 Bonds, but neither the failure to print such number on any Series 2025 Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Series 2025 Bonds in accordance with the terms of this Purchase Agreement. The Closing shall occur at the offices of the District, or such other place to which the District and the Underwriter shall have mutually agreed. The Series 2025 Bonds shall be prepared and delivered as fully registered bonds in such authorized denominations and registered in full book-entry form in the name of Cede & Co., as Nominee of The Depository Trust Company, New York, New York ("DTC") and shall be delivered to DTC during the business day prior to the Closing for purposes of inspection,

unless the DTC "F.A.S.T." procedure is used which requires the Bond Registrar to retain possession of the Series 2025 Bonds.

8. Closing Conditions. The Underwriter has entered into this Purchase Agreement in reliance upon the representations, warranties, covenants and agreements of the District contained herein and contained in the documents and instruments delivered at the Closing, and upon the performance by the District of its obligations hereunder, as of the date of Closing. Accordingly, the Underwriter's obligations under this Purchase Agreement to cause the purchase, acceptance of delivery and payment for the Series 2025 Bonds shall be subject to the performance by the District of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following conditions:

(a) The representations and warranties of the District contained herein shall be true, complete and correct on and as of the date of Closing, the statements made in all certificates and other documents delivered to the Underwriter at the Closing shall be true, complete and correct as of the date of Closing, and the District shall be in compliance with each of the agreements made by it in this Purchase Agreement and the Indenture as of the date of Closing;

(b) At the Closing, (1) the Bond Resolution, the Assessment Resolutions, the Financing Documents and the Series 2025 Assessments shall be in full force and effect and shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, and the District shall have adopted and there shall be in full force and effect such additional agreements therewith and in connection with the issuance of the Series 2025 Bonds all such action as in the reasonable opinion of Bond Counsel shall be necessary in connection with the transactions contemplated hereby, (2) the Limited Offering Memorandum shall not have been amended, modified or supplemented, except as may have been agreed to in writing by the Underwriter, (3) there shall not have occurred any event that causes the Limited Offering Memorandum or any amendment or supplement thereto to contain an untrue or misleading statement of fact that in the opinion of the Underwriter or its counsel is material or omits to state a fact that in the opinion of the Underwriter or its counsel is material and necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, (4) the District shall perform or shall have performed all of its obligations under or specified in the Financing Documents to which it is a party to be performed at or prior to the Closing, and (5) the Series 2025 Bonds shall have been duly authorized, executed, authenticated and delivered; and

(c) At or prior to the Closing, the Underwriter shall have received executed or certified copies of the following documents:

(6) a supplemental opinion, dated the date of Closing, of Bond Counsel to the effect that (A) the Underwriter may rely on the approving opinion of Bond Counsel as though such opinion were addressed to it, (B) the Series 2025 Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended, and (C) Bond Counsel has reviewed (i) the statements contained in the Limited Offering Memorandum under the sections captioned "DESCRIPTION OF THE SERIES 2025 BONDS" (other than the portion thereof captioned "Book-Entry Only System" and other than any information therein relating to DTC or the book-entry system) and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" (other than the portions thereof captioned "Agreement for Assignment of Development Rights," "Completion Agreement" and "True-Up Agreement") and is of the opinion that insofar as such statements purport to summarize certain provisions of the Series 2025 Bonds and the Indenture, such statements are accurate summaries of the provisions purported to be summarized therein, and (ii) the information contained in the Limited Offering Memorandum under the section captioned "TAX MATTERS" and believes that such information is accurate;

(10) a certificate, dated the date of Closing, of the authorized officers of the District to the effect that, on the basis of the facts, estimates and circumstances in effect on the date of Closing, it is not expected that the proceeds of the Series 2025 Bonds will be used in a manner that would cause the Series 2025 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended;

- (12) executed Financing Documents;

All of the opinions, letters, certificates, instruments and other documents mentioned above or elsewhere in this Purchase Agreement shall be deemed to be in compliance with the provisions hereof if, but only if, they are in form and substance as set forth herein or as described herein or as otherwise satisfactory to the Underwriter. Receipt of, and payment for, the Series 2025 Bonds shall constitute evidence of the satisfactory nature of such as to the Underwriter. The performance of any and all obligations of the District hereunder and the performance of any and all conditions herein for the benefit of the Underwriter may be waived by the Underwriter in its sole discretion.

If the District shall be unable to satisfy the conditions to the obligations of the Underwriter to cause the purchase, acceptance of delivery and payment for the Series 2025 Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to cause the purchase, acceptance of delivery and payment for the Series 2025 Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate, and neither the Underwriter nor the District shall be under further obligation hereunder; provided, however, that the respective obligations of the Underwriter and the District set forth in Section 10 hereof shall continue in full force and effect.

9. Termination. The Underwriter may terminate this Purchase Agreement by written notice to the District in the event that between the date hereof and the date of Closing:

(a) the marketability of the Series 2025 Bonds or the market price thereof, in the reasonable opinion of the Underwriter, has been materially adversely affected by (1) an amendment to the Constitution of the United States, (2) any legislation (other than any actions taken by either House of Congress on or prior to the date hereof) (A) enacted or adopted by the United States, (B) recommended to the Congress or otherwise endorsed for passage, by press release, other form of notice or otherwise, by the President of the United States, the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, the Treasury Department of the United States or the Internal Revenue Service, or (C) favorably reported out of the appropriate Committee for passage to either House of the Congress by any full Committee of such House to which such legislation has been referred for consideration, (3) any decision of any court of the United States, (4) any order, rule or regulation (final, temporary or proposed) on behalf of the Treasury Department of the United States, the Internal Revenue Service or any other authority or regulatory body of the United States, (5) a release or announcement or communication issued or sent by the Treasury Department of the United States or the Internal Revenue Service, or (6) any comparable legislative, judicial or administrative development affecting the federal tax status of the District, its property or income, obligations of the general character of the Series 2025 Bonds, as contemplated hereby, or the interest thereon; or

(b) any legislation, rule, or regulation shall be introduced in, or be enacted or adopted in the State, or a decision by any court of competent jurisdiction within the State shall be rendered which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or

(c) any amendment to the Limited Offering Memorandum is proposed by the District or deemed necessary by Bond Counsel or the Underwriter which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or

(d) there shall have occurred any outbreak or escalation of hostility, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Underwriter, impractical or inadvisable to proceed with the offering or delivery of the Series 2025 Bonds

as contemplated by the Limited Offering Memorandum (exclusive of any amendment or supplement thereto); or

(e) legislation shall be enacted or adopted, or any action shall be taken by, or on behalf of, the Securities and Exchange Commission (the "SEC") which, in the reasonable opinion of Bond Counsel, has the effect of requiring the contemplated distribution of the Series 2025 Bonds to be registered under the Securities Act of 1933, as amended (the "1933 Act"), or the Indenture to be qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"), or any laws analogous thereto relating to governmental bodies, and compliance therewith cannot be accomplished prior to the Closing; or

(f) legislation shall be introduced by amendment or otherwise in or be enacted by the House of Representatives or the Senate of the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, release, regulation, official statement or no-action letter by or on behalf of the SEC or any other governmental authority having jurisdiction of the subject matter of the Series 2025 Bonds shall have been proposed, issued or made (which is beyond the control of the Underwriter or the District to prevent or avoid) to the effect that the issuance, offering or sale of the Series 2025 Bonds as contemplated hereby or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Series 2025 Bonds is or would be in violation of any of the federal securities laws at Closing, including the 1933 Act, as amended and then in effect, the Securities Exchange Act of 1934, as amended and then in effect, or the 1939 Act, as amended and then in effect, or with the purpose or effect of otherwise prohibiting the offering and sale of either the Series 2025 Bonds as contemplated hereby, or of obligations of the general character of the Series 2025 Bonds; or

(g) there shall have occurred, after the signing hereof, either a financial crisis or a default with respect to the debt obligations of the District or proceedings under the federal or State bankruptcy laws shall have been instituted by the District, in either case the effect of which, in the reasonable judgment of the Underwriter, is such as to materially and adversely affect the market price or the marketability of the Series 2025 Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Series 2025 Bonds; or

(h) a general banking moratorium shall have been declared by the United States, New York or State authorities which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or

(i) any national securities exchange or any governmental authority shall impose, as to the Series 2025 Bonds or obligations of the general character of the Series 2025 Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the establishment of material restrictions upon trading of securities, including limited or minimum prices, by any governmental authority or by any national securities exchange which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or

(j) legal action shall have been filed against the District wherein an adverse ruling would materially adversely affect the transactions contemplated hereby or by the Limited Offering Memorandum or the validity of the Series 2025 Bonds, the Bond Resolution, the Assessment Resolutions or any of the Financing Documents; provided, however, that as to any such litigation, the District may request and the Underwriter may accept an opinion by Bond Counsel, or other counsel acceptable to the Underwriter, that in such counsel's opinion the issues raised by any such litigation or proceeding are without substance or that the contentions of any plaintiffs therein are without merit; or

(k) there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service to any of the District's obligations; or

(l) any information shall have become known which, in the Underwriter's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Limited Offering Memorandum, as the information contained therein has been supplemented or amended by other information, or causes the Limited Offering Memorandum, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading and upon the receipt of notice of the same by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or

(m) an event occurs as a result of which the Limited Offering Memorandum, as then amended or supplemented, would include an untrue statement of a material fact or omit to state any material fact which is necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading which, in the reasonable opinion of the Underwriter, requires an amendment or supplement to the Limited Offering Memorandum and, in the reasonable opinion of the Underwriter, materially adversely affects the marketability of the Series 2025 Bonds or the contemplated offering prices thereof and upon the receipt of notice of the same by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or

(n) the Internal Revenue Service makes a determination with respect to any special purpose development district formed under State law (referred to herein as a "Special District") deeming that all or certain of such Special Districts are not a "political subdivision" for purposes of Section 103(a) of the Internal Revenue Code, and such determination, in the reasonable opinion of the Underwriter, materially adversely affects the federal tax status of the District, the tax exempt character or marketability of the Series 2025 Bonds or the contemplated offering prices thereof.

10. Expenses.

(a) The District agrees to pay from the proceeds of the Series 2025 Bonds, and the Underwriter shall be under no obligation to pay, all expenses incident to the performance of the District's obligations hereunder, including but not limited to (1) the cost of the preparation, printing or other reproduction (for distribution prior to, on or after the date of acceptance of this Purchase Agreement) of a reasonable number of copies of the Preliminary

Limited Offering Memorandum and the Limited Offering Memorandum, (2) the fees and disbursements of Bond Counsel, District Counsel, Underwriter's Counsel, Wrathell, Hunt & Associates, LLC, as Assessment Consultant, Atwell, LLC, as Consulting Engineer, and any other experts or consultants retained by the District, including, but not limited to, the fees and expenses of the District Manager and the Dissemination Agent, (3) the fees and disbursements of the Trustee, Bond Registrar and Paying Agent under the Indenture, and (4) out-of-pocket expenses of the District.

(b) The Underwriter shall pay (1) the cost of qualifying the Series 2025 Bonds for sale in various states chosen by the Underwriter and the cost of preparing or printing any Blue Sky and legal investment memoranda to be used in connection with such sale, and (2) out-of-pocket expenses and advertising incurred by it in connection with their offering and distribution of the Series 2025 Bonds.

(c) In the event that either the District or the Underwriter shall have paid obligations of the other as set forth in this Section, adjustment shall be made at or prior to Closing.

12. Parties in Interest. This Purchase Agreement is made solely for the benefit of the District and the Underwriter (including the successors or assignees of the District or the Underwriter) and no other party or person shall acquire or have any right hereunder or by virtue hereof. All representations, warranties, covenants and agreements in this Purchase Agreement shall remain operative and in full force and effect, regardless of (a) any investigations made by or on behalf of the Underwriter, (b) the delivery of and payment for the Series 2025 Bonds pursuant to this Purchase Agreement, or (c) any termination of this Purchase Agreement but only to the extent provided by the last paragraph of Section 8 hereof.

13. Waiver. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the District hereunder and the performance of any

and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in its sole discretion.

14. Effectiveness. This Purchase Agreement shall become effective upon the execution of the acceptance hereof by the Chair and shall be valid and enforceable at the time of such acceptance.

15. Counterparts. This Purchase Agreement may be executed in several counterparts, each of which shall be regarded as a net original and all of which shall constitute one and the same document.

16. Headings. The headings of the sections of this Purchase Agreement are inserted for convenience only and shall not be deemed to be a part hereof.

17. Florida Law Governs. The validity, interpretation and performance of this Purchase Agreement shall be governed by the laws of the State.

18. Truth In Bonding Statement. Pursuant to the provisions of Section 218.385(2) and (3), Florida Statutes, as amended, the Underwriter provides the following truth-in-bonding statement:

(a) The District is proposing to issue \$[Bond Amount].00 of its Series 2025 Bonds for the purposes described in Section 2 hereof. This obligation is expected to be repaid over a period of approximately [30] years. At a true interest cost of approximately [TIC]%, total interest paid over the life of the obligation will be \$[_____].

(b) The sources of repayment for the Series 2025 Bonds are the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds (as described in Section 2 hereof). Authorizing this obligation will result in an average of approximately \$[_____] not being available to finance other services of the District every year for approximately [30] years; provided however, that in the event that the Series 2025 Bonds were not issued, the District would not be entitled to impose and collect the Series 2025 Assessments in the amount of the principal of and interest to be paid on the Series 2025 Bonds.

19. No Advisory or Fiduciary Role. The District acknowledges and agrees that (a) the purchase and sale of the Series 2025 Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the District and the Underwriter, (b) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as an advisor (including, without limitation, a Municipal Advisor, as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act), agent or fiduciary of the District, (c) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the District with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter or any affiliate of the Underwriter has provided other services or is currently providing other services to the District on other matters) and the Underwriter has no obligation to the District with respect to the offering contemplated hereby except the obligations expressly set forth in this Purchase Agreement, (d) the District has consulted its own legal, financial and other advisors to the extent it has

deemed appropriate in connection with the offering of the Series 2025 Bonds, (e) the Underwriter has financial and other interests that differ from those of the District, and (f) the District has received the Underwriter's G-17 Disclosure Letter.

20. Establishment of Issue Price.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2025 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit J, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2025 Bonds.

(b) Except as otherwise set forth in Exhibit A attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2025 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Series 2025 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2025 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2025 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Series 2025 Bonds of that maturity or until all Series 2025 Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2025 Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit A attached hereto. Exhibit A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Series 2025 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2025 Bonds, the Underwriter will neither offer nor sell unsold Series 2025 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial

offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Series 2025 Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party;

(2) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2025 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2025 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2025 Bonds to the public);

This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State of Florida, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* ("Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2025 Trust Estate to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to authorize and execute the Assessment Resolution and to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Bonds, (c) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (b) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Charlotte County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the PLOM, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "INTRODUCTION," "SUITABILITY FOR INVESTMENT," "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Agreement for Assignment of Development Rights," "– Completion Agreement," and "– True-Up Agreement," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS," "VALIDATION," "LITIGATION – District," "CONTINUING DISCLOSURE" (as it relates to the District only), "LEGALITY FOR INVESTMENT," and "AGREEMENT BY THE STATE," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. **Litigation** – Based on inquiry of the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2025 Trust Estate pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** – Based on certificates of the District Engineer and the Developer, and an opinion of Counsel to the Developer, the District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial, statistical or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.

6. Except as set forth in Section C.9., we express no opinion and make no representations as to the Project, including but not limited to costs, estimates, projections, status, technical provisions, or anything else related to the Project.

7. We have not reviewed, and therefore express no opinion, regarding any land use, zoning, permits, approvals, real property or other related items, including but not limited to the Developer's and/or any other landowner's ownership interests in any property within the District, whether the Developer and/or any other landowner owns any of the real property subject to the recordable Bond Agreements and/or Declaration of Consent, or whether the Developer is able to convey good and marketable title to any particular real property or interest therein.

8. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

9. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Ladies and Gentlemen:

The undersigned serves as the Consulting Engineer to the Starling Community Development District (the "District"). This Certificate is furnished pursuant to Section 8(c)(17) of the Bond Purchase Agreement, dated [BPA Date], between the District and MBS Capital Markets, LLC (the "Purchase Agreement") relating to the sale of the Series 2025 Bonds. Terms used herein in capitalized form and not otherwise defined herein shall have the meanings ascribed thereto in said Purchase Agreement or in the Limited Offering Memorandum, dated [BPA Date], relating to the Series 2025 Bonds (the "Limited Offering Memorandum").

1. Atwell, LLC (the "Firm") has been retained by the District to serve as the Consulting Engineer and to prepare the Master Engineer's Report, dated January 2024, revised April 2024 (the "Report") included as an appendix to the Limited Offering Memorandum. Consent is hereby given to the references to the Firm and the Report in the Limited Offering Memorandum and to the inclusion of the Report as an appendix to the Limited Offering Memorandum.

2. The Report was prepared in accordance with generally accepted engineering practices. The cost estimates in the Report are fair, reasonable, and consistent with current market conditions, and do not exceed the lesser of the actual costs of completing the CIP or fair market value thereof.

3. In connection with the preparation of the Report personnel of the Firm participated in meetings with representatives of the District and its counsel, Bond Counsel, the Underwriter and its counsel and others in regard to the CIP. The CIP consists solely of infrastructure and other improvements set forth in the Act. Nothing has come to the attention of the Firm in relation to our engagement as described in this paragraph which would cause us to believe that the Report was, as of its date, or is as of the date hereof, or any of the statements in the Limited Offering Memorandum specifically attributed to the Firm were, as of the date of the Limited Offering Memorandum, or are as of the date hereof, inaccurate in any material respect.

4. The information contained in the Limited Offering Memorandum under the heading "THE CAPITAL IMPROVEMENT PROGRAM" and in Appendix "A" to the Limited

Offering Memorandum are accurate statements and fairly present the information purported to be shown, and nothing has come to the attention of the Firm that would lead it to believe that such section and appendix contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make such statements, in light of the circumstances in which they were made, not misleading.

5. Except as described in the Report, all permits, consents or licenses, and all notices to or filings with governmental agencies necessary for the construction and acquisition of the CIP as described in the Limited Offering Memorandum required to be obtained or made have been obtained or made or it is reasonable to believe that they will be obtained or made when required. There is no reason to believe that any permits, consents, licenses or governmental approvals required to complete any portion of the CIP as described in the Limited Offering Memorandum will not be obtained as required, and there is no reason to believe it is not feasible to complete the CIP as planned. There is no reason to believe that the necessary water and sewer capacity will not be available when needed to permit the development of the Development as described in the Limited Offering Memorandum.

1. This Certificate is furnished pursuant to Section 8(c)(19) of the Bond Purchase Agreement, dated [BPA Date], between the District and the Underwriter (the "Purchase Agreement") relating to the sale by the District of its \$[Bond Amount] Starling Community Development District Special Assessment Revenue Bonds, Series 2025 (the "Series 2025 Bonds"). 4. The Financing Documents to which the Developer is a party constitute valid and binding obligations of the Developer enforceable against the Developer in accordance with their respective terms.

5. The Developer has reviewed and approved the information contained in the Limited Offering Memoranda under the captions "THE CAPITAL IMPROVEMENT PROGRAM," "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT," "THE DEVELOPER," "CONTINUING DISCLOSURE" and "LITIGATION – Developer" and with respect to the Developer and the Development under the captions "INTRODUCTION" and "BONDOWNERS' RISKS" and warrants and represents that such information did not as of its date, and does not as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. In addition, the Developer is not aware of any other information in the Limited

10. The Developer acknowledges that the Series 2025 Bonds have the debt service requirements set forth in the Limited Offering Memorandum and that the Series 2025 Assessments will be levied by the District at times, and in amounts sufficient, to enable the District to pay debt service on the Series 2025 Bonds when due.

Developer's business, assets, property or conditions, financial or otherwise, or contesting or affecting any of the powers of the Developer.

13. Re: \$[Bond Amount] Starling Community Development District Special
Assessment Revenue Bonds, Series 2025 (the "Series 2025 Bonds")

Ladies and Gentlemen:

We are counsel to Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), which is the owner of the lands within the District (as hereinafter defined) which are being developed into a residential community herein referred to as the "Development." We have served as counsel to the Developer in connection with the issuance by the Starling Community Development District (the "District") of the Series 2025 Bonds in the amount of \$[Bond Amount], as described in the District's Preliminary Limited Offering Memorandum, dated [PLOM Date] (the "Preliminary Limited Offering Memorandum"), and its Limited Offering Memorandum, dated [BPA Date] (the "Limited Offering Memorandum," and together with the Preliminary Offering Memorandum, hereinafter referred to as the "Limited Offering Memoranda"). Proceeds of the Series 2025 Bonds will be applied to: (a) finance a portion of the Costs of the CIP, (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, without privilege or priority of one Series 2025 Bond over another, and (d) pay a portion of the interest to become due on the Series 2025 Bonds. Unless otherwise defined herein, capitalized terms used herein have the respective meanings assigned to such terms in the Bond Purchase Agreement, dated [BPA Date], between the District and MBS Capital Markets, LLC (the "Underwriter"), or in the Limited Offering Memoranda, as applicable.

In our capacity as counsel to the Developer, we have examined and are familiar with the Continuing Disclosure Agreement, dated as of the Closing Date, among the District, the Developer and the dissemination agent named therein, the [Acquisition Agreement], dated as of the Closing Date, between the District and the Developer, the [Completion Agreement], dated as of the Closing Date, between the District and the Developer, the [True-Up Agreement], dated as of the Closing Date, between the District and the Developer, the

[Collateral Assignment and Assumption of Development and Contract Rights], dated as of the Closing Date, between the District and the Developer, the Certificate of Developer, dated as of the Closing Date, executed by the Developer, and the [Declaration of Consent to Jurisdiction], dated as of the Closing Date, executed by the Developer (collectively, the "Developer Documents").

We have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below. We have further relied upon certificates and representations made by the Developer, its representatives and the parties to this transaction described in the Limited Offering Memoranda.

In rendering this opinion, we have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Developer and its parent companies) and the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "our knowledge," the words "our knowledge" signify that, in the course of our representation of the Developer, no facts have come to our attention that would give us actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, we have undertaken no investigation or verification of such matters. Further, the words "our knowledge" as used in this opinion are intended to be limited to the actual knowledge of the undersigned, who has been directly involved in representing the Developer in connection with this transaction.

Based on the foregoing, we are of the opinion that:

1. The Developer is a corporation organized and existing under the laws of the State of Florida.
2. The Developer has the power to conduct its business and to undertake the Development as described in the Limited Offering Memoranda and to enter into the Developer Documents.
3. The Developer Documents have been duly authorized, executed and delivered by the Developer and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Developer Documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms.
4. Nothing has come to our attention that would lead us to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE DEVELOPER," "LITIGATION – Developer," and "CONTINUING DISCLOSURE" (as it relates to the Developer), does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Developer Documents by the Developer do not violate (i) the Developer's bylaws, (ii) to our knowledge, any agreement, instrument or federal or Florida law, rule or regulation known to us to which the Developer is a party or by which the Developer's assets are or may be bound, or (iii) to our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Developer or its assets.

6. Nothing has come to our attention that would lead us to believe that the Developer is not in compliance in all material respects with all provisions of applicable law in all material matters relating to the Developer or the Development as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) we have no knowledge that the Developer has not received all government permits, approvals, consents and licenses required in connection with the construction and completion of the Development as described in the Limited Offering Memoranda and the Engineer's Report, other than certain government permits, approvals, consents and licenses which are expected to be received in the ordinary course as needed, and (b) we have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete development of the Development as described in the Limited Offering Memoranda and all appendices thereto.

7. To our knowledge, the levy of the Series 2025 Assessments on the lands within the District (as described in the Limited Offering Memoranda) will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets is subject.

8. To our knowledge, there is no litigation pending which would prevent or prohibit the development of the Development in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto as Appendix A or which could result in any material adverse change in the respective business, properties, assets or financial condition of the Developer.

9. To our knowledge, the Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To our knowledge, the Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To our knowledge, the Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2025 Bonds or the Development.

This opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of

equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

This opinion is given as of the date hereof, and we disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and we express no opinion with respect to the laws of any other jurisdiction. This letter is for the benefit of and may be relied upon solely by the addressees.

Sincerely,
J. Wayne Crosby, P.A.

FORM OF ISSUE PRICE CERTIFICATE

STARLING COMMUNITY DEVELOPMENT DISTRICT \$[Bond Amount] Special Assessment Revenue Bonds, Series 2025

The undersigned, on behalf of **MBS CAPITAL MARKETS, LLC** ("MBS"), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Series 2025 Bonds"). Capitalized terms shall have the meanings ascribed in Section 2 hereof.

MBS and the District entered into a Bond Purchase Agreement on the Sale Date in connection with the sale of the Series 2025 Bonds (the "Purchase Agreement"). Pursuant to the terms of the Purchase Agreement, MBS made a bona fide limited offering of the Series 2025 Bonds to a portion of the Public representing accredited investors as required by Florida law at the prices or yields for each such maturity as shown on the cover page of the Limited Offering Memorandum, dated [BPA Date], relating to the Series 2025 Bonds.

1. Sale of the Series 2025 Bonds. As of the date of this certificate, for each Maturity of the Series 2025 Bonds, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

2. Defined Terms.

(a) *District* means Starling Community Development District.

(b) *Maturity* means Series 2025 Bonds with the same credit and payment terms. Series 2025 Bonds with different maturity dates, or Series 2025 Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(c) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.

(d) *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Series 2025 Bonds. The Sale Date of the Series 2025 Bonds is [BPA Date].

(e) *Underwriter* means (i) any person that agrees pursuant to a written contract with the District to participate in the initial sale of the Series 2025 Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Series 2025 Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2025 Bonds to the Public).

3. Reserve Account. A reserve account in an amount equal to the Series 2025 Reserve Account Requirement was necessary in order to market and sell the Series 2025 Bonds given the nature of the Series 2025 Bonds which are secured by special assessments and the delinquent assessment collection procedures related thereto.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents MBS' interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Tax Certificate executed by the District in connection with the issuance, sale and delivery of the Series 2025 Bonds and with respect to compliance with the federal income tax rules affecting the Series 2025 Bonds, and by Bond Counsel in connection with rendering its opinion that the interest on the Series 2025 Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Series 2025 Bonds.

Disbursements of such payments to the Direct Participants (as defined herein) is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of the Direct Participants and Indirect Participants (as defined herein), as more fully described herein. Any purchaser as a Beneficial Owner of a Series 2025 Bond must maintain an account with a broker or dealer who is, or acts through, a Direct Participant to receive payment of the principal of and interest on such Series 2025 Bond. See "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System" herein. The Series 2025 Bonds will bear interest at the fixed rates set forth below, calculated on the basis of a 360-day year of twelve 30-day months. Interest on the Series 2025 Bonds is payable semi-annually on each May 1 and November 1, commencing November 1, 2025.

The Series 2025 Bonds are subject to optional, mandatory and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" herein.

The Series 2025 Bonds are being issued to (a) finance a portion of the Costs of the CIP (as defined herein), (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, without privilege or priority of one Series 2025 Bond over another, and (d) pay a portion of the interest to become due on the Series 2025 Bonds.

NEITHER THE SERIES 2025 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2025 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2025 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2025 BONDS SHALL BE PAYABLE FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2025 TRUST ESTATE, ALL AS PROVIDED IN THE SERIES 2025 BONDS AND IN THE INDENTURE.

THE SERIES 2025 BONDS INVOLVE A DEGREE OF RISK (SEE "BONDOWNERS' RISKS" HEREIN) AND ARE NOT SUITABLE FOR ALL INVESTORS (SEE "SUITABILITY FOR INVESTMENT" HEREIN). THE UNDERWRITER IS LIMITING THE OFFERING OF THE SERIES 2025 BONDS TO ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. HOWEVER, THE LIMITATION OF THE INITIAL OFFERING OF THE SERIES 2025 BONDS TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. THE SERIES 2025 BONDS ARE NOT CREDIT ENHANCED AND ARE NOT RATED AND NO APPLICATION HAS

BEEN MADE FOR CREDIT ENHANCEMENT OR A RATING WITH RESPECT TO THE SERIES 2025 BONDS, NOR IS THERE ANY REASON TO BELIEVE THAT THE DISTRICT WOULD HAVE BEEN SUCCESSFUL IN OBTAINING EITHER CREDIT ENHANCEMENT OR A RATING FOR THE SERIES 2025 BONDS HAD APPLICATION BEEN MADE.

LIMITED OFFERING MEMORANDUM

relating to

STARLING COMMUNITY DEVELOPMENT DISTRICT (Charlotte County, Florida) \$12,690,000* Special Assessment Revenue Bonds, Series 2025

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices hereto, is to set forth certain information concerning the Starling Community Development District (the "District") in connection with the offering and issuance by the District of its \$12,690,000* Special Assessment Revenue Bonds, Series 2025 (the "Series 2025 Bonds").

The Series 2025 Bonds are being issued pursuant to the Act (hereinafter defined), a Master Trust Indenture dated as of September 1, 2025 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture dated as of September 1, 2025, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and resolutions adopted by the Board of Supervisors of the District (the "Board") on May 1, 2024 and August [15], 2025, authorizing the issuance of the Series 2025 Bonds. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture, the form of which appears as composite APPENDIX C attached hereto.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and established by Ordinance No. 2024-007 of the Board of County Commissioners of Charlotte County, Florida (the "County") enacted and effective on March 26, 2024 (the "Ordinance"). The District was established for the purpose, among other things, of financing and managing the acquisition, construction, installation, maintenance, and operation of the major infrastructure within and without the boundaries of the District. The boundaries of the District include approximately 297 acres of land (the "District Lands") located in an unincorporated area of the County. For more complete information about the District, the Board and the District Manager (hereinafter defined), see "THE DISTRICT" herein.

The Act authorizes the District to issue bonds for the purposes, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, District roads, recreational facilities and other basic infrastructure projects within or without the boundaries of the District, all as provided in the Act.

* Preliminary, subject to change.

Under the Constitution and laws of the State of Florida (the "State"), including the Act, the District has the power and authority to levy non-ad valorem assessments upon the District Lands and to issue bonds for the purposes of providing community development services and facilities, including those financed with the proceeds of the Series 2025 Bonds as described herein.

Consistent with the requirements of the Indenture and the Ordinance, the Series 2025 Bonds are being issued to (a) finance a portion of the Costs of the CIP (hereinafter defined), (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, without privilege or priority of one Series 2025 Bond over another, and (d) pay a portion of the interest to become due on the Series 2025 Bonds.

The District is currently planned to include 774 single-family residential units and various recreational amenities. The capital improvement program for the District (the "CIP") consists of certain infrastructure improvements for the benefit of the District Lands, including stormwater management, potable water system, sanitary sewer system, perimeter walls and landscaping, environmental/wetland mitigation, offsite roadway improvements, and professional services and permit fees. See "THE CAPITAL IMPROVEMENT PROGRAM" and "THE DEVELOPMENT" herein.

The Series 2025 Bonds are payable from and secured by the Series 2025 Trust Estate, including the revenues received by the District from the Series 2025 Assessments and amounts in the Funds and Accounts (except for the Series 2025 Rebate Account) established by the Indenture. The Series 2025 Assessments will initially be levied against all of the gross acreage within the District, but ultimately assigned to the 774 single-family residential units planned within the District that are all subject to assessment as a result of the CIP as described in the Assessment Report (hereinafter defined). The Series 2025 Assessments represent an allocation of a portion of the costs of the CIP, including bond financing costs, to the lands within the District benefiting from the CIP in accordance with the Assessment Report. The Assessment Report and assessment resolutions with respect to the Series 2025 Assessments (collectively, the "Assessment Proceedings") permit the prepayment in part or in full of the Series 2025 Assessments at any time without penalty, together with interest at the rate on the corresponding Series 2025 Bonds to the Quarterly Redemption Date that is more than forty-five (45) days next succeeding the date of prepayment. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" and "THE DEVELOPMENT – Fees and Assessments" herein.

Subsequent to the issuance of the Series 2025 Bonds, the District may cause one or more Series of Bonds to be issued pursuant to the Master Indenture, subject to the terms and conditions thereof. Bonds may be issued for the purpose of financing the Cost of acquisition or construction of a Project, to refund all or a portion of a Series of Bonds or for the completion of a Project. The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2025 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2025 Trust Estate other than Bonds issued to refund the Outstanding Series 2025 Bonds. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2025 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds secured by Assessments on lands subject at such time to the Series 2025 Assessments without the consent of the Majority

Owners; provided however, that the consent of the Majority Owners shall not be required if either (a) the additional Assessments, when taking into account the Series 2025 Assessments, do not cause the aggregate annual debt service Assessments on such lands to exceed \$30.00 per front footage for each product type (by way of example, the aggregate debt service Assessments on a 50' lot could not exceed \$1,500), evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely, or (b) the Series 2025 Assessments have been Substantially Absorbed, evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely. Notwithstanding the foregoing, the District shall not be precluded from issuing Additional Bonds secured by Assessments at any time on property then subject to the Series 2025 Assessments which the District certifies are necessary for health, safety, and welfare reasons or to remediate a natural disaster. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2025 Assessments equaling at least ninety percent (90%) of the then Outstanding principal amount of the Series 2025 Bonds is levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – No Parity Bonds; Limitation on Parity Assessments" herein.

There follows in this Limited Offering Memorandum a brief description of the District and the Development (hereinafter defined), together with summaries of the terms of the Series 2025 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes and all references to the Series 2025 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture, the form of which appears as composite APPENDIX C attached hereto.

SUITABILITY FOR INVESTMENT

Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or MBS Capital Markets, LLC (the "Underwriter") to give any information or make any representations other than those contained in this Limited Offering Memorandum. Additional information will be made available to each prospective investor, including the benefit of a site visit to the District, and the opportunity to ask questions of the District, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Series 2025 Bonds. Prospective investors are encouraged to request such additional information, visit the District and ask such questions.

While the Series 2025 Bonds are not subject to registration under the Securities Act of 1933, as amended (the "Securities Act"), the Underwriter has determined that the Series 2025 Bonds are not suitable for investment by persons other than, and, as required by Chapter 189, Florida Statutes, will offer the Series 2025 Bonds only to, "accredited investors," as such term is defined in Chapter 517, Florida Statutes, and the rules promulgated thereunder. However, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Prospective investors in the Series 2025 Bonds should have such knowledge and experience

in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

DESCRIPTION OF THE SERIES 2025 BONDS

General

The Series 2025 Bonds are issuable only in fully registered form, without coupons, in denominations of \$5,000 or any integral multiple thereof; provided, however, that the Series 2025 Bonds shall be delivered to the initial purchasers thereof in minimum aggregate principal amounts of \$100,000 and integral multiples of \$5,000 in excess of \$100,000.

The Series 2025 Bonds will be dated their date of issuance and delivery to the initial purchasers thereof and will bear interest payable on each May 1 and November 1, commencing November 1, 2025 (each, an "Interest Payment Date"), and shall be computed on the basis of a 360-day year of twelve 30-day months. The Series 2025 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the cover page of this Limited Offering Memorandum.

Interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Each Series 2025 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication (a) is an Interest Payment Date to which interest on such Series 2025 Bond has been paid, in which event such Series 2025 Bond shall bear interest from its date of authentication, or (b) is prior to the first Interest Payment Date for the Series 2025 Bonds, in which event, such Series 2025 Bond shall bear interest from its date.

Debt Service on each Series 2025 Bond will be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the registered Owner at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date, or, if such day is not a Business Day on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture, the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent (hereinafter defined) to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Series 2025 Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation thereof at the designated corporate trust office of U.S. Bank Trust Company, National Association, located in Fort Lauderdale, Florida, or any alternate or successor paying agent (collectively, the "Paying Agent"), unless the Series 2025 Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment in writing on or prior to

the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Series 2025 Bonds).

The Series 2025 Bonds shall be initially issued in the form of a separate single certificated fully registered Series 2025 Bond for each maturity thereof. Upon initial issuance, the ownership of each such Series 2025 Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of The Depository Trust Company ("DTC"), the initial Bond Depository. Except as provided in the Indenture, all of the Outstanding Series 2025 Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC. See "– Book-Entry Only System" below.

* Maturity

As more particularly set forth in the Indenture, any Series 2025 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2025 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2025 Bonds so as to reamortize the remaining Outstanding principal balance of the Series 2025 Bonds as set forth in the Supplemental Indenture.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Quarterly Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the date of redemption as follows, if and to the extent that any one or more of the following have occurred:

(a) on or after the Date of Completion of the CIP, by application of moneys transferred from the Series 2025 Acquisition and Construction Account in the Acquisition and Construction Fund established under the Indenture to the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account in accordance with the terms of the Indenture; or

(b) from amounts required by the Indenture to be deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account including, but not limited to, Series 2025 Prepayment Principal and any excess amounts in the Series 2025 Reserve Account as a result of the deposit of such Series 2025 Prepayment Principal and any excess amount on deposit in the Series 2025 Reserve Account resulting from a reduction of the Series 2025 Reserve Account Requirement; or

(c) on the date on which the amount on deposit in the Series 2025 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2025 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2025 Bonds shall be called for redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed shall, unless otherwise provided in the Indenture, be selected by lot by the Bond Registrar as provided in the Indenture.

Notice of Redemption

Notice of each redemption of Series 2025 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2025 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2025 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2025 Bonds or such portions thereof on such date, interest on such Series 2025 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2025 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2025 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2025 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission ("SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect

Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Bond Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Bond Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2025 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2025 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2025 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

The Series 2025 Bonds are payable from and secured by the revenues received by the District from the Series 2025 Assessments and amounts in the Funds and Accounts (except for the Series 2025 Rebate Account) established by the Indenture (collectively, the "Series 2025 Trust Estate"). The Series 2025 Assessments will be allocated as described in "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein. The Series 2025 Assessments represent an allocation of the Costs of the CIP, including bond financing costs, to certain benefited land within the District in accordance with the Assessment Report attached hereto as composite APPENDIX B.

NEITHER THE SERIES 2025 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE. THE SERIES 2025 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2025 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2025 BONDS SHALL BE PAYABLE FROM, AND SHALL

BE SECURED SOLELY BY, THE SERIES 2025 TRUST ESTATE, ALL AS PROVIDED IN THE SERIES 2025 BONDS AND IN THE INDENTURE.

No Parity Bonds; Limitation on Parity Assessments

The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2025 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2025 Trust Estate other than Bonds issued to refund the Outstanding Series 2025 Bonds. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2025 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds secured by Assessments on lands subject at such time to the Series 2025 Assessments without the consent of the Majority Owners; provided however, that the consent of the Majority Owners shall not be required if either (a) the additional Assessments, when taking into account the Series 2025 Assessments, do not cause the aggregate annual debt service Assessments on such lands to exceed \$30.00 per front footage for each product type (by way of example, the aggregate debt service Assessments on a 50' lot could not exceed \$1,500), evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely, or (b) the Series 2025 Assessments have been Substantially Absorbed, evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely. Notwithstanding the foregoing, the District shall not be precluded from issuing Additional Bonds secured by Assessments at any time on property then subject to the Series 2025 Assessments which the District certifies are necessary for health, safety, and welfare reasons or to remediate a natural disaster. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2025 Assessments equaling at least ninety percent (90%) of the then Outstanding principal amount of the Series 2025 Bonds is levied on tax parcels within the District with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

WHILE NO FUTURE ADDITIONAL BONDS WILL BE PAYABLE FROM OR SECURED BY THE SERIES 2025 ASSESSMENTS PLEDGED AS SECURITY FOR THE SERIES 2025 BONDS, THE DISTRICT, THE COUNTY, THE SCHOOL BOARD OF CHARLOTTE COUNTY, FLORIDA, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF MAY IN THE FUTURE IMPOSE, LEVY AND COLLECT ASSESSMENTS AND TAXES THE LIENS OF WHICH WILL BE CO-EQUAL WITH THE LIEN OF ASSESSMENTS WHICH INCLUDES THE SERIES 2025 ASSESSMENTS SECURING THE SERIES 2025 BONDS. See "– Enforcement and Collection of Series 2025 Assessments" below and "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

Funds and Accounts

The Supplemental Indenture requires that the Trustee establish, as needed, the following Accounts: (a) within the Acquisition and Construction Fund, a Series 2025 Acquisition and Construction Account and a Series 2025 Costs of Issuance Account; (b) within the Debt Service Fund, (i) a Series 2025 Debt Service Account and therein a Series 2025 Sinking Fund Account, a Series 2025 Interest Account, and a Series 2025 Capitalized Interest Account, and (ii) a Series 2025 Redemption Account and therein a Series 2025 Prepayment

Subaccount and a Series 2025 Optional Redemption Subaccount; (c) within the Reserve Fund, a Series 2025 Reserve Account, which Series 2025 Reserve Account shall be held for the benefit of all Series 2025 Bonds, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another; (d) within the Revenue Fund, a Series 2025 Revenue Account; and (e) within the Rebate Fund, a Series 2025 Rebate Account.

Series 2025 Reserve Account

The Series 2025 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Reserve Account Requirement. "Series 2025 Reserve Account Requirement" is defined in the Supplemental Indenture to mean, until such time as the Reserve Account Release Conditions are met, an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds as of the time of any such calculation, which on the date of issuance of the Series 2025 Bonds is equal to \$_____. Upon receipt by the Trustee of the Reserve Release Certifications (hereinafter defined) and thereafter, the Series 2025 Reserve Account Requirement is defined in the Supplemental Indenture to mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds as of the time of any such calculation. Excess amounts on deposit in the Series 2025 Reserve Account as a result of the deposit of Series 2025 Prepayment Principal and/or as a result of the Reserve Account Release Conditions having been met shall be transferred, as directed by an Authorized Officer, as provided in Section 405 of the Supplemental Indenture.

"Reserve Account Release Conditions" is defined in the Supplemental Indenture to mean, collectively, that (a) all residential units/homes to be subject to the Series 2025 Assessments have been built, sold and closed with end-users (b) all Series 2025 Assessments are being collected pursuant to the Uniform Method, and (c) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2025 Bonds. An Authorized Officer shall provide a written certification to the Trustee certifying that the events in clauses (a) and (b) have occurred and affirming clause (c), on which certifications the Trustee may conclusively rely (collectively, the "Reserve Release Certifications").

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2025 Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account and the Series 2025 Sinking Fund Account to pay Debt Service on the Series 2025 Bonds, when due, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another, to the extent the moneys on deposit in such Accounts and available therefor are insufficient and for no other purpose. The Series 2025 Reserve Account shall consist only of cash and Investment Obligations.

Upon satisfaction of the Reserve Account Release Conditions, an Authorized Officer of the District shall provide the Reserve Release Certifications to the Trustee, upon which certifications the Trustee may conclusively rely, and thereupon an Authorized Officer of the District shall recalculate the Series 2025 Reserve Account Requirement and instruct the Trustee to transfer any excess as a result of having met the Reserve Account Release Conditions to the Series 2025 Acquisition and Construction Account to be used for the purposes of such Account unless the Series 2025 Acquisition and Construction Account has been closed in which case such excess shall be transferred to the Series 2025 Prepayment

Subaccount and applied to the extraordinary mandatory redemption of the Series 2025 Bonds.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the District shall recalculate the Series 2025 Reserve Account Requirement taking into account any Series 2025 Prepayment Principal on deposit in the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2025 Reserve Account in excess of the Series 2025 Reserve Account Requirement as a result of such Series 2025 Prepayment Principal to the Series 2025 Prepayment Subaccount as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel. Following the foregoing transfer, such amounts in the Series 2025 Prepayment Subaccount shall be applied to the extraordinary mandatory redemption of the Series 2025 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2025 Reserve Account, sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest on such Series 2025 Bonds to the earliest date of redemption permitted therein and in the Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2025 Reserve Account into the Series 2025 Prepayment Subaccount in the Series 2025 Redemption Account to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2025 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Series 2025 Revenue Account

(a) Pursuant to the Supplemental Indenture, the Trustee is authorized and directed to deposit into the Series 2025 Revenue Account any and all amounts required to be deposited therein by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2025 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2025 Revenue Account the Series 2025 Pledged Revenues other than Series 2025 Prepayment Principal, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2025 Prepayment Subaccount in the Series 2025 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the District at the time of deposit with the Trustee, Series 2025 Pledged Revenues paid to the Trustee shall be deposited into the Series 2025 Revenue

Account, and that Series 2025 Pledged Revenues which the District informs the Trustee constitute Series 2025 Prepayment Principal shall be deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2025 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Subaccount of the Series 2025 Redemption Account and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Subaccount in accordance with the provisions for extraordinary redemption of the Series 2025 Bonds set forth in the form of Series 2025 Bonds attached to the Supplemental Indenture, Section 301 of the Supplemental Indenture, and Article III of the Master Indenture.

(d) Following the foregoing transfers, on each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2025 Interest Account, an amount equal to the amount of interest payable on all Series 2025 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2025 Capitalized Interest Account in accordance with Section 403(b) of the Supplemental Indenture, and less any other amount already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, on May 1, 20__, and each May 1 thereafter, to the Series 2025 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2025 Bonds subject to mandatory sinking fund redemption on such May 1, and the amount already on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, to the Series 2025 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Account Requirement; and

FOURTH, the balance shall be retained in the Series 2025 Revenue Account.

(e) On any date required by the Tax Regulatory Covenants, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2025 Revenue Account to the Series 2025 Rebate Account established for the Series 2025 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing, if any, to

the United States, which amount shall be paid, to the United States, when due, in accordance with such Tax Regulatory Covenants.

(f) On each November 2 (or if such November 2 is not a Business Day, on the next Business Day thereafter), the Trustee shall, at the written direction of the District, (i) if the Date of Completion of the CIP has not been established, transfer to the Series 2025 Acquisition and Construction Account the balance on deposit in the Series 2025 Revenue Account on such November 2 to be used for the purpose of such Account, or (ii) if the Date of Completion of the CIP has been established, transfer to the District the balance on deposit in the Series 2025 Revenue Account on such November 2 to be used for any lawful District purpose; provided, however, that on the date of either such proposed transfer the Trustee shall not have received written notice of an Event of Default under the Indenture relating to the Series 2025 Bonds, including the payment of Trustee's fees and expenses then due.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2025 Bonds shall be invested only in Investment Obligations, and further, earnings on the Series 2025 Acquisition and Construction Account, the Series 2025 Interest Account and the Series 2025 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purposes of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2025 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2025 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2025 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2025 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account up to and through November 1, 2026, and thereafter earnings in the Series 2025 Reserve Account shall be allocated to and deposited into the Series 2025 Revenue Account and used for the purpose of such Account; and

(ii) if as of the last date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2025 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Reserve Account until the amount on deposit therein is equal to the Series 2025 Reserve Account Requirement, and then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account up to and through November 1, 2026, and thereafter shall be allocated to and deposited into the Series 2025 Revenue Account and used for the purpose of such Account.

Notwithstanding the foregoing, if there is a deficiency in the Series 2025 Reserve Account, prior to the deposit of any earnings in the Series 2025 Revenue Account, the amount of such proposed transfer shall instead be deposited into the Series 2025 Reserve Account until the balance on deposit therein is equal to the Series 2025 Reserve Account Requirement.

Series 2025 Acquisition and Construction Account

Amounts on deposit in the Series 2025 Acquisition and Construction Account shall be applied to pay Costs of the CIP upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and the form attached as Exhibit A to the Master Indenture. The Trustee shall have no duty to review the requisition to determine if the amount requested is for payment of a cost permitted under the Indenture. Anything in the Master Indenture to the contrary notwithstanding, the Consulting Engineer shall establish a Date of Completion for the CIP, and any balance remaining in the Series 2025 Acquisition and Construction Account (taking into account the moneys currently on deposit therein to pay any accrued but unpaid Costs of the CIP which are required to be reserved in the Series 2025 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be deposited to the Series 2025 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 301 of the Supplemental Indenture and in the manner prescribed in the form of Series 2025 Bonds set forth as Exhibit B to the Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion for the CIP until either (a) the Reserve Account Release Conditions have been satisfied and all moneys that have been transferred from the Series 2025 Reserve Account into the Series 2025 Acquisition and Construction Account as a result of such release conditions having been satisfied pursuant to Section 405 of the Supplemental Indenture have been expended on Costs of the CIP, or (b) the Consulting Engineer has certified in writing to the District and the Trustee that the amounts on deposit in the Series 2025 Acquisition and Construction Account are in excess of the amounts needed to complete the CIP. After there are no funds therein and either the Reserve Account Release Conditions have been met or the Date of Completion of the CIP has been established, the Series 2025 Acquisition and Construction Account shall be closed.

Owner Direction and Consent with Respect to Series 2025 Acquisition and Construction Account Upon Occurrence of Event of Default

In accordance with the provisions of the Indenture, the Series 2025 Bonds are secured solely by the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds comprising the Series 2025 Trust Estate. Anything in the Indenture to the contrary notwithstanding, the District acknowledges in the Supplemental Indenture that (a) the Series 2025 Pledged Funds include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may not be used by the District (whether to pay Costs of the CIP or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the CIP and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay costs and expenses incurred in connection with

the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to construction of the CIP after the occurrence of an Event of Default unless authorized in writing by the Majority Owners.

Series 2025 Costs of Issuance Account

The amount deposited in the Series 2025 Costs of Issuance Account shall, at the written direction of an Authorized Officer of the District, be used to pay the costs of issuance relating to the Series 2025 Bonds. On the date of issuance of the Series 2025 Bonds, initial costs of issuance shall be paid pursuant to the instructions in the closing memorandum prepared by the Underwriter and signed by an Authorized Officer of the District. On the earlier to occur of (a) the written direction of an Authorized Officer of the District or (b) November 1, 2025, any amounts deposited in the Series 2025 Costs of Issuance Account which have not been requisitioned shall be transferred over and deposited into the Series 2025 Acquisition and Construction Account and used for the purposes permitted therefor, whereupon the Series 2025 Costs of Issuance Account shall be closed.

Agreement for Assignment of Development Rights

Contemporaneously with the issuance of the Series 2025 Bonds, the District and Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), will enter into a [Collateral Assignment and Assumption of Development and Contract Rights] (the "Collateral Assignment"). The Collateral Assignment provides, among other things, that in the event the Developer defaults in the payment of Series 2025 Assessments levied on lands owned by the Developer, the District may exercise its remedial rights thereunder. Pursuant to the Collateral Assignment, the Developer agrees, subject to the provisions of the Collateral Assignment, to collaterally assign to the District all of its development rights and contract rights relating to the CIP (the "Development and Contract Rights") as security for the Developer's payment and performance and discharge of its obligation to pay the Series 2025 Assessments levied against the lands owned by the Developer within the District. Such Development and Contract Rights specifically exclude any such portion of the Development and Contract Rights which relate solely to any property which has been conveyed to a landowner resulting from the sale of land in the ordinary course of business, the County, the District, any applicable homeowner's association or other governing entity or association as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the District, if any.

Assignment of District's Rights Under Collateral Assignment

Pursuant to the Supplemental Indenture, subject to the terms of the Collateral Assignment, and without intending to alter the same, the District assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2025 Bonds. The Trustee shall not become obligated to perform any duties because of such assignment.

Completion Agreement

In connection with the issuance of the Series 2025 Bonds, the Developer will enter into an agreement with the District (the "Completion Agreement") pursuant to which the

Developer will agree to provide funds to complete the CIP to the extent that proceeds of the Series 2025 Bonds or a future Series of Bonds are insufficient therefor. Remedies for a default under the Completion Agreement include damages and/or specific performance.

True-Up Agreement

In connection with the issuance of the Series 2025 Bonds, the District and the Developer will enter into an agreement (the "True-Up Agreement") pursuant to which the Developer agrees to pay, when requested by the District, any amount of the Series 2025 Assessments allocated to unplatted acres on lands owned by the Developer in excess of the allocation in place at the time of issuance of the Series 2025 Bonds pursuant to the Assessment Report or any update thereto.

Enforcement of True-Up Agreement and Completion Agreement

Pursuant to the Indenture, the District, either through its own actions or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything in the Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture without benefit of any period for cure.

Events of Default

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2025 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2025 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the CIP;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its

property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Series 2025 Assessments shall have become Delinquent Assessments and, as the result thereof, the Trustee has withdrawn funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2025 Reserve Account to pay Debt Service on the Series 2025 Bonds;

(h) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2025 Assessments are not paid by the date such are due and payable, and such default continues for sixty (60) days after the date when due; and

(i) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2025 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2025 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2025 Bonds then Outstanding and affected by such default; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion.

Provisions Relating to Bankruptcy or Insolvency of Landowner

The Master Indenture contains the following provisions which shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least three percent (3%) of the Series 2025 Assessments pledged to the Series 2025 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District acknowledges and agrees in the Master Indenture that, although the Series 2025 Bonds were issued by the District, the Owners of the Series 2025 Bonds are

categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2025 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, the Series 2025 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Majority Owners of the Series 2025 Bonds then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners or the Trustee, acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, the Series 2025 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee or the Majority Owners;

(c) the District agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Majority Owners of the Series 2025 Bonds then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners and the Trustee within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(e) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2025 Assessments pledged to the Series 2025 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in Section 913 of the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not affirmatively seek to reduce the amount or receipt of Series 2025 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

Enforcement and Collection of Series 2025 Assessments

The primary source of payment for the Series 2025 Bonds is the Series 2025 Assessments imposed on each landowner within the District which is specially benefited by the CIP. To the extent that landowners fail to pay such Series 2025 Assessments, delay payments, or are unable to pay such Series 2025 Assessments, the successful pursuit of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. The Act provides for various methods of collection of delinquent taxes by reference to other provisions of the Florida Statutes. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein for a summary of special assessment payment and collection procedures appearing in the Florida Statutes.

Pursuant to the Indenture, when permitted by law, Series 2025 Assessments levied on platted lots and pledged to secure the Series 2025 Bonds shall be collected pursuant to the uniform method for the levy, collection and enforcement of Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes (the "Uniform Method") and Series 2025 Assessments levied on unplatted lots and pledged to secure the Series 2025 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless

the District determines that it is in its best interest not to collect the Series 2025 Assessments pursuant to such method. The election to collect and enforce Series 2025 Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2025 Assessments pursuant to any other method permitted by law in any subsequent year. Notwithstanding the foregoing, upon the occurrence and continuance of an Event of Default, the collection of Series 2025 Assessments shall be in the manner directed by the Majority Owners or as directed by the Trustee acting at the direction of the Majority Owners. All Series 2025 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2025 Assessments shall not be deemed to be Delinquent Assessments unless and until such Series 2025 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

If the owner of any lot or parcel of land shall be delinquent in the payment of any Series 2025 Assessment, then such Series 2025 Assessment shall be enforced in accordance with the provisions of the Act and Chapters 170 and/or 197, Florida Statutes, as amended, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, then upon the delinquency of any Series 2025 Assessment, the District, either on its own behalf or through the actions of the Trustee, may, and shall, if so directed in writing by the Majority Owners of the Series 2025 Bonds then Outstanding, declare the entire unpaid balance of such Series 2025 Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, and Sections 190.026 and/or 170.10, Florida Statutes, or otherwise as provided by law.

If any tax certificates relating to Delinquent Assessments which are pledged to secure the payment of the principal of and interest on the Series 2025 Bonds are sold by the Tax Collector (hereinafter defined) pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the Series 2025 Revenue Account.

If any property shall be offered for sale for the nonpayment of any Series 2025 Assessment, which is pledged to the Series 2025 Bonds, and no person or persons shall purchase such property for an amount greater than or equal to the full amount due on the Series 2025 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may, but is not required to, then be purchased by the District for an amount equal to or less than the balance due on the Series 2025 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2025 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners of the Series 2025 Bonds, but shall not be obligated, to direct the District with respect to any

action taken pursuant to this paragraph. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the Series 2025 Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as provided in the Indenture, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the Series 2025 Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2025 Bonds within sixty (60) days after the receipt of the request therefor signed by the Majority Owners or the Trustee, acting at the written request of such Majority Owners.

THERE CAN BE NO ASSURANCE THAT ANY SALE, PARTICULARLY A BULK SALE, OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Additional Covenants Regarding Assessments

Pursuant to the Indenture, the District covenants to comply with the terms of the Series 2025 Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment Report, and to levy the Series 2025 Assessments and any required true-up payments set forth in the Assessment Report, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds, when due. The Assessment Report shall not be materially amended without the prior written consent of the Majority Owners. Notwithstanding the foregoing, amendments to the Assessment Report to account for new product types shall not require such consent.

Re-Assessment

Pursuant to the Master Indenture, if any Series 2025 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Series 2025 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Assessment when it might have done so, the District shall either (a) take all necessary steps to cause a new Series 2025 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (b) in its sole discretion, make up the amount of such Series 2025 Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case any such subsequent Series 2025 Assessment shall also be annulled, the District shall obtain and make other Series 2025 Assessments until a valid Series 2025 Assessment shall be made.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the revenues received by the District from the collection of Series 2025 Assessments imposed on certain lands in the District specially benefited by the CIP pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto.

The imposition, levy, and collection of Series 2025 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Charlotte County Tax Collector (the "Tax Collector") or the Charlotte County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Assessments during any year. Such delays in the collection of Series 2025 Assessments, or complete inability to collect any Series 2025 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds. See "BONDOWNERS' RISKS" herein. To the extent that landowners fail to pay the Series 2025 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Assessments to be valid, the Series 2025 Assessments must meet two requirements: (a) the benefit from the CIP to the lands subject to the Series 2025 Assessments must exceed or equal the amount of the Series 2025 Assessments; and (b) the Series 2025 Assessments must be fairly and reasonably allocated across all such benefited properties. At closing, the Assessment Consultant (hereinafter defined) will certify that these requirements have been met with respect to the Series 2025 Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Assessments through a variety of methods. See "BONDOWNERS' RISKS" herein. For undeveloped and unplatted properties, the District may directly issue annual bills to landowners requiring payment of the Series 2025 Assessments and will enforce such bill through foreclosure proceedings. As lands are platted, the Series 2025 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapter 170, Florida Statutes, and the Act, the District may directly levy, collect and enforce the Series 2025 Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to

foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Assessments and the ability to foreclose the lien of such Series 2025 Assessments upon the failure to pay such Series 2025 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Assessments. See "BONDOWNERS' RISKS" herein.

Uniform Method Procedure

Subject to certain conditions, the District may alternatively elect to collect the Series 2025 Assessments using the Uniform Method. The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Assessments to be levied and then collected in this manner.

If the Uniform Method is used, the Series 2025 Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments, including the Series 2025 Assessments, are to be billed together and landowners in the District are required to pay all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2025 Assessments to not be collected to that extent, which could have a significant adverse effect

on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percentage point per month to one percent (1%) in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds that (a) the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Assessments, (b) future landowners and taxpayers in the District will pay such Series 2025 Assessments, (c) a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (d) the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently eighteen percent (18%). The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest

rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the governing board of the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS" herein.

THE DISTRICT

General

The District is a local unit of special purpose government duly organized and existing under the provisions of the Act and established by the Ordinance. The boundaries of the District include approximately 297 acres of land located entirely within an unincorporated area of the County.

Legal Powers and Authority

The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development.

The Act provides that community development districts have the power to issue general obligation, revenue and special assessment revenue debt obligations in any combination to pay all or part of the cost of infrastructure improvements authorized under the Act. The Act further provides that community development districts have the power under certain conditions to levy and assess ad valorem taxes or non-ad valorem assessments, including the Series 2025 Assessments, on all taxable real property within their boundaries to pay the principal of and interest on debt obligations issued and to provide for any sinking or other funds established in connection with any such debt obligation issues. Pursuant to the Act, such assessments may be levied, collected and enforced in the same manner and time as county property taxes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to: (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management reclamation and re-use systems or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the applicable specifications of the county in which such District roads are located; roads and improvements to existing public roads that are owned by or conveyed to the local general-purpose government, the State, or the federal government; street lights; alleys; landscaping; hardscaping; undergrounding of electric utility lines; buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage; (iv) conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property; (v) any other project, facility or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses; and security, including, but not limited to, guardhouses, fences and gates, and electronic intrusion-detection systems; (b) borrow money and issue bonds of the District; (c) levy, collect and enforce special assessments; (d) impose and foreclose special assessment liens as provided in the Act; and (e) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District authorized by the Act.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are collectively performed by the County and its departments of government.

The Act exempts all property of the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any Owner of bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with such bonds, including the Series 2025 Bonds.

Board of Supervisors

The Act provides for a five-member Board of Supervisors (as previously defined, the "Board") to serve as the governing body of the District. At the initial meeting of the landowners, members of the Board (the "Supervisors") must be elected by the landowners with the two (2) Supervisors receiving the highest number of votes to serve for a four-year term and the remaining Supervisors to serve for a two-year term. Three (3) of the five (5) Supervisors are elected to the Board every two (2) years in November. At such election, the two (2) Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots are counted individually and rounded up to the nearest whole acre and are not to be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen (18) years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two (2) Supervisors must be qualified electors and be elected by qualified electors, both to a four-year term. The other Supervisor will be elected by landowners for a four-year term. Thereafter, as terms expire, all Supervisors must be qualified electors elected by qualified electors and are elected to serve staggered terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

The current members of the Board and their respective term expiration dates are set forth below.

Name	Title	Expiration of Term
Felipe Gonzalez*	Chair	November 2028
Rebekah Norton*	Vice Chair	November 2026
Jarret English*	Assistant Secretary	November 2026
Charles Cook*	Assistant Secretary	November 2026

* Affiliate or employee of the Developer.

The Act empowers the Board to adopt administrative rules and regulations with respect to any projects of the District, and to enforce penalties for the violation of such rules and regulations. The Act permits the Board to levy taxes under certain conditions, to levy special assessments, and to charge, collect and enforce fees and user charges for use of District facilities.

District Manager and Other Consultants

The Act authorizes the Board to hire a District Manager as the chief administrative official of the District. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for (a) preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, (b) maintaining and operating the equipment owned by the District, and (c) performing such other duties as may be prescribed by the Board.

Wrathell, Hunt & Associates, LLC, has been retained as the firm to provide district management services for the District (in such capacity, the "District Manager"). The District Manager's office is located at 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 and their phone number is (561) 571-0010.

The District Manager's typical responsibilities can briefly be summarized as directly overseeing and coordinating the District's planning, financing, purchasing, staffing, and reporting and acting as governmental liaison for the District. The District Manager's responsibilities also include requisitioning moneys to pay construction contracts and the related accounting and reporting that is required by the Indenture.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Bryant Miller Olive P.A., Orlando, Florida, as Bond Counsel; Kutak Rock LLP, Tallahassee, Florida, as District Counsel; Atwell, LLC, Bonita Springs, Florida, as Consulting Engineer; and Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Assessment Consultant.

As discussed further herein, Phase 1 of the Development consisting of 407 residential lots is complete with development of Phase 2 planned for 130 residential lots currently underway. As of July 25, 2025, the Developer has expended approximately \$18.0 million in development related expenditures.

The District currently intends to issue an additional Series of Bonds to fund additional portions of the CIP. The Developer will enter into the Completion Agreement whereby the Developer will agree to complete those portions of the CIP not funded with proceeds of the Series 2025 Bonds or additional Series of Bonds. The District cannot make any representation that the Developer will have sufficient funds to complete the CIP. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Completion Agreement," and "BONDOWNERS' RISKS – Completion of CIP" herein.

ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS

Wrathell, Hunt & Associates, LLC (in such capacity, the "Assessment Consultant") has prepared the Master Special Assessment Methodology Report dated May 1, 2024 (the "Master Assessment Report"), as supplemented by the Supplemental Special Assessment Methodology Report dated July [30], 2025 (the "Supplemental Assessment Report" and, together with the Master Assessment Report, the "Assessment Report") attached hereto as composite APPENDIX B. The Master Assessment Report allocates the total benefit derived from the District's CIP to the benefited lands in the District.

Pursuant to the Assessment Report, the Series 2025 Assessments securing the Series 2025 Bonds will be levied on a per unit basis on the 407 platted lots in Phase 1 of the Development and on an equal per acre basis over the approximately 129 acres planned for 367 residential lots and constituting Phases 2 and 3 of the Development. Pursuant to the allocation methodology set forth in the Assessment Report, the Series 2025 Assessments levied in connection with the Series 2025 Bonds on the lands in Phases 2 and 3 will then be allocated on a per lot basis upon the sale of property with specific entitlements transferred thereto or platting. See "APPENDIX B – ASSESSMENT REPORT" attached hereto. The Series 2025 Bonds were sized to correspond to the collection of Series 2025 Assessments from

To the extent it owns land subject to the Series 2025 Assessments, the Developer's obligation to pay the Series 2025 Assessments is limited solely to the obligation of any landowner within the District. The Developer is not a guarantor of payment of the Series 2025 Assessments on any property within the District and the recourse for the Developer's failure to pay Series 2025 Assessments or otherwise comply with its obligations to the District is limited to its ownership interest in the land subject to the Series 2025 Assessments.

THE DEVELOPMENT

Overview

Esplanade at Starling (the "Development") encompasses approximately 297 acres located on the east side of Burnt Store Road entirely within Charlotte County, Florida (as previously defined, the "County"). Direct access to the Development is provided through Burnt Store Road. The Development is located approximately twenty-two (22) and thirty-eight (38) miles northwest of downtown Fort Myers and the Southwest Florida International Airport, respectively.

A Publix-anchored shopping center, which also includes a Home Depot, is located approximately four and one-half miles (4.5) miles north of the Development via Burnt Store Road. Additional commercial support can be found at the Port Charlotte Town Center which includes over thirty (30) retail stores and is located approximately nineteen (19) miles northwest of the Development on Tamiami Trail (U.S. 41). The Development is also located approximately five (5) miles south of a Walmart Supercenter off the intersection of Burnt Store Road and the Tamiami Trail (U.S. 41). Medical facilities including HCA Florida Fawcett Hospital and Cape Coral Hospital are located approximately thirteen (13) miles northwest and twenty-one (21) miles southwest of the Development, respectively. Public access to Fort Myers beach is located approximately thirty-six (36) miles south of the Development. Additionally, Coral Oaks Public Golf Course is located approximately twelve (12) miles south of the Development.

The Development is intended to be developed in three (3) phases for the development of approximately 774 residential units. Development of the first phase of the Development consisting of 407 residential lots is complete and a final plat has been recorded for such phase. Development activities in the second phase of the Development planned for 130 residential lots is currently underway with the final phase of the Development planned for 237 residential lots scheduled to commence in the third quarter of 2026.

The landowner and developer of the lands within the District is Taylor Morrison of Florida, Inc., a Florida corporation (as previously defined, the "Developer"). As discussed in more detail under the heading "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS," the Series 2025 Assessments will ultimately be levied on all 774 residential lots planned within the District.

Land Acquisition/Development Financing

On September 15, 2023, the Developer acquired the lands comprising the Development containing approximately 297 acres from Burnt Store 2007 LLC, a Florida limited liability company, for a fixed purchase price of \$15,000,077, in cash.

The Developer estimates the total development costs for the Development to be approximately \$79.9 million. Proceeds of the Series 2025 Bonds will be used to acquire a portion of the CIP in the approximate amount of \$10.9 million*. The District currently intends to issue an additional Series of Bonds to fund additional portions of the CIP. The Developer anticipates using equity to fund the remaining portions of the CIP not funded with proceeds of the Series 2025 Bonds or future Series of Bonds as well as the remaining development costs not included within the CIP. As discussed further herein, development activities are underway with Phase 1 consisting of 407 residential lots complete and Phase 2 planned for 130 residential lots currently in active development. As of August 5, 2025, the Developer estimates it had expended approximately \$25 million in development-related expenditures (private and public costs).

* Preliminary, subject to change.

Environmental

In August 2021, a Phase I Environmental Site Assessment ("Phase 1 ESA") was performed by Universal Engineering Sciences LLC for the lands comprising the District. The Phase 1 ESA revealed the presence of arsenic in an area of the Development previously utilized as a cattle pen. As a result, a Limited Phase II Environmental Site Assessment ("Phase II ESA") was performed in September 2021 by Universal Engineering Services LLC. The Phase II ESA determined that no further assessment was required.

Zoning/Permitting

The Development was originally zoned as a Planned Development (the "PD") pursuant to zoning ordinance 2006-082. In October 2021, the zoning was amended under zoning ordinance 2021-036 to provide for additional density allowing for the development of up to 1,440 residential units. A final site plan must be approved by the County prior to commencement of development within each phase. Phases 1 and 2 of the Development, planned for a total of 537 residential units, have received County final site plan approval.

As described in further detail in the Engineer's Report, the Developer has obtained a Southwest Florida Water Management District Environmental Resource Permit for the Development. A Florida Department of Environmental Protection 404 permit for wetland mitigation was not required. The Developer has provided for the relocation of gopher tortoises observed on the lands constituting the Development. Further, the Developer has obtained all necessary permits and approvals for the infrastructure to serve Phase 1 and Phase 2 of the Development planned for 537 residential units. A final plat for Phase 1 has been approved and recorded. A final plat for Phase 2 is under review with final approval anticipated to be obtained in the second quarter of 2026. Permitting activities for Phase 3 planned for 137 residential units will be undertaken in conjunction with development activities for Phase 3 which are anticipated to commence in the third quarter of 2026.

Upon issuance of the Series 2025 Bonds, the District Engineer will certify that any permits and approvals necessary to construct the CIP that have not previously been obtained are expected to be obtained in the ordinary course of business.

Traffic Improvements Agreement

On June 13, 2024, the Developer entered into a Traffic Improvements Agreement with the County under which the Developer is required, at its own expense, to install a traffic signal on Burnt Store Road at the main residential entrance to the Development. Installation of the traffic signal must be complete no later than the issuance of the 300th residential certificate of occupancy. Such costs are included in the District's CIP.

Product Type/Phasing

The Development is planned to be developed in three (3) phases for the development of approximately 774 residential units. The information in the table below depicts the current estimated number of residential lots by product type for the Development, which information is subject to change.

Product Type	Phase 1	Phase 2	Phase 3	Total
Single-family 42'	261	8	55	324
Single-family 52'	78	77	133	288
Single-family 62'	68	45	49	162
Total	407	130	237	774

Development activities for Phase 1 of the Development consisting of 407 residential units are complete and a final plat has been approved and recorded. Phase 2 is currently under development with completion anticipated in the third quarter of 2026. A final plat for Phase 2 is anticipated to be approved in second quarter of 2026. Construction for Phase 3 is anticipated to begin in the third quarter of 2026 with completion anticipated in the second quarter of 2027. Further, the entry feature and main spine road, Starling Boulevard, which provides access to the Development off of Burnt Store Road and extends to the amenity center, is complete.

Utilities

Charlotte County Utilities ("CCU") will provide potable water, reclaimed water and wastewater services to the entire Development. Florida Power & Light will provide electrical power to the Development. Century Link will provide phone services, and Comcast will provide internet and cable services to the Development.

The Developer has entered into an agreement with CCU for Phase 1 of the Development consisting of 407 platted residential lots (the "Phase 1 Utility Agreement") whereby CCU will provide potable water, reclaimed water and sewer services to such lands conditioned on the Developer meeting certain obligations under the Phase 1 Utility Agreement including entering into a cost share agreement for the upsizing of the potable water and sewer mains and looping of the potable water system. The Developer has reserved the planned capacity within Phase 1 through a payment of \$1,354,336. The Developer will enter into similar utility agreements for each subsequent phase within the Development.

The Developer has entered into an Off-site Utilities Agreement whereby the Developer has agreed to increase the size of the off-site potable water distribution, wastewater transmission lines and lift station. The Developer is constructing such off-site improvements at an estimated amount of \$7.3 million for which the County will reimburse the Developer in a not to exceed amount of \$920,048. To date, the Developer estimates that it has expended approximately \$[_____] for which the County has reimbursed \$[_____].

Home Construction/Sales Activity

The Development is planned to feature four (4) model homes. Construction of the model homes is complete. Further, home sale activities within the Development have commenced. As of August 5, 2025, approximately fourteen (14) home sale contracts had been written with retail buyers with home closings anticipated to commence in the third quarter of 2025.

Projected Absorption

In its capacity as both developer and homebuilder, the Developer intends to develop finished lots for subsequent home construction thereon and eventual sale to retail buyers. As previously mentioned, home sale activities in the Development have commenced. As of August 5, 2025, approximately fifty-nine (59) homes were under vertical construction. The following table sets forth the Developer's anticipated pace of residential home closings to retail buyers within the Development, which is subject to change.

Product Type	2025	2026	2027	2028	2029	2030	2031	2032	Total

Total	31	97	130	124	123	107	89	73	774

The projections noted above are based upon estimates and assumptions that are inherently uncertain, though considered reasonable, and are subject to significant business, economic and competitive uncertainties and contingencies, all of which are difficult to predict. As a result, there can be no assurance that such projections will occur or be realized in the time frames anticipated. See "BONDOWNERS' RISKS" herein.

Residential Product Offerings

The Development is being marketed as an active-lifestyle, age-targeted community designed to appeal to the senior, empty-nester and silver lining residents. The Development is planned to include nine (9) single-family home designs ranging in size from approximately 1,364 square feet to 3,004 square feet with prices starting in the mid \$300,000s. The information in the table below illustrates the current estimated base pricing and square footage for the residential units planned within the Development, which information is subject to change.

Product Type	Estimated Average Square Footage	Estimated Average Base Price
Single-family 42'	1,623	\$347,966
Single-family 52'	2,215	\$448,262
Single-family 62'	2,801	\$527,685

Recreational Facilities

The recreational amenities planned for the Development are intended to be geared toward active adults, similar in nature to the Developer's other Esplanade-branded southwest Florida communities. The Development is currently planned to include certain amenities including a bar, resort pool and spa, fireside seating, a flex lawn, bocce courts, a butterfly garden, a dog park, a tennis court, and eight (8) pickleball courts. Additionally, the Development is planned to include an approximately 8,000 square foot clubhouse with a fitness center with lockers, spa, kitchen, club room and conference rooms.

Construction of the tennis and pickleball courts is anticipated to commence in the third quarter of 2025 with completion anticipated in the fourth quarter of 2025. Additionally, construction of the clubhouse is anticipated to commence in the third quarter of 2025 with

completion expected by the fourth quarter of 2026. All recreational facilities are being funded and constructed by the Developer at an estimated cost of \$9.8 million. The recreational facilities will be conveyed to the homeowner's association.

Marketing

It is anticipated that the Developer will undertake a comprehensive marketing effort for the Development utilizing a variety of media, which includes a dedicated webpage for the Development which can be accessed at www.taylormorrison.com/fl/fort-myers-naples/punta-gorda/esplanade-at-starling. Further, the Developer intends to sell homes from the four (4) model homes that will be available for prospective homebuyers to tour.

Education

Children residing in the Development would generally attend East Elementary School, Punta Gorda Middle School and Charlotte High School, which received ratings of 'B,' 'C,' and 'B,' respectively, in 2025 from the Florida Department of Education.

Fees and Assessments

Each property owner in the District will pay annual taxes, assessments and fees on an ongoing basis as a result of their ownership of property within the District, including ad valorem property taxes, Series 2025 Assessments, homeowner's association ("HOA") fees, and administrative, operation and maintenance assessments ("O&M Assessments") levied by the District as described in more detail below.

Property Taxes. The current millage rate for the area of the County where the District is located is approximately 15.1954. Accordingly, by way of example, the annual property taxes for a \$400,000 taxable value home would be approximately \$6,078.

Homeowner's Association Fees. All homeowners residing in the District will be subject to HOA fees in the estimated amount of \$4,459 – \$4,699, including lawn maintenance, for all product types paid annually, which amounts are subject to change.

District Special Assessments. All property owners in the District will be subject to the Series 2025 Assessments levied in connection with the Series 2025 Bonds. In addition to the Series 2025 Assessments, all property owners will be subject to annual O&M Assessments levied by the District which are derived from the District's annual budget and are subject to change each year. The table below illustrates the estimated annual and principal Series 2025 Assessments and the estimated annual O&M Assessments at buildout that will be levied by the District for each respective product type within the District.

The Developer currently intends to fully prepay the Series 2025 Assessments levied in connection with the Series 2025 Bonds in Phase 1 of the Development.

§ Grossed up for early payment discount and County collection fees (6%).

The District currently intends to issue an additional Series of Bonds to fund additional portions of the CIP. To the extent that additional Bonds are issued, such Bonds will be secured by special assessments levied on the lands constituting the Development and therefore will overlap with the Series 2025 Assessments to the extent the Series 2025 Assessments have not been prepaid in full. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2025 BONDS – No Parity Bonds; Limitation on Parity Assessments" herein.

Competition

The Developer expects that competition for the Development will primarily come from Willow (Tuckers Pointe CDD), Turnleaf, Firelight (Firelight CDD), Coral Lakes and West Port (West Port CDD and West Port East CDD).

This section does not purport to summarize all of the existing or planned communities in the area of the Development, but rather to provide a description of those that the Developer feels pose primary competition to the homes to be constructed in the Development.

THE DEVELOPER

The developer and landowner of the lands within the District is Taylor Morrison of Florida, Inc., a Florida corporation (as previously defined, the "Developer"). BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of these risks are described in the section above entitled "ENFORCEMENT OF ASSESSMENT COLLECTIONS." However, certain additional risks are associated with the Series 2025 Bonds offered hereby. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum including all appendices hereto in its entirety to identify investment considerations relating to the Series 2025 Bonds.

Limited Pledge

The principal security for the payment of Debt Service on the Series 2025 Bonds is the timely collection of the Series 2025 Assessments. The Series 2025 Assessments do not constitute a personal indebtedness of the owners of the land subject thereto but are secured by a lien on such land. There is no assurance that the Developer or any subsequent landowner will be able to pay the Series 2025 Assessments or that they will pay such Series 2025 Assessments even though financially able to do so. Neither the Developer nor any subsequent landowner is a guarantor of payment of any Series 2025 Assessment and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2025 Assessments is limited to the collection proceedings against the land. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The District has not granted, and may not grant under State law, a mortgage or security interest in the CIP. Furthermore, the District has not pledged the revenues, if any, from the operation of the CIP as security for, or a source of payment of, the Series 2025 Bonds. The Series 2025 Bonds are payable from, and secured solely by, the Series 2025 Trust Estate, including the Series 2025 Assessments. The failure of the Developer or any subsequent landowner to pay the required Series 2025 Assessment on its property will not result in an increase in the amount of Series 2025 Assessments other landowners are or would be required to pay.

Concentration of Land Ownership and Bankruptcy Risks

Until further development takes place in the District and assessable properties are sold to end users, payment of the Series 2025 Assessments is substantially dependent upon their timely payment by the Developer. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other subsequent significant owner of property subject to the Series 2025 Assessments, delays and impairment could occur in the payment of Debt Service on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of (a) the Developer or any other landowner being able to pay the Series 2025 Assessments, (b) the County to sell tax certificates in relation to such property with respect to the Series 2025 Assessments being collected pursuant to the Uniform Method, and (c) the District's ability to enforce collection with respect to the Series 2025 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds, the Trustee and the District upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including during a bankruptcy of the Developer or any other landowner, the remedies specified by federal, State and local law and in the Indenture and the Series 2025

Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Assessments and the ability of the District to foreclose the lien of the Series 2025 Assessments, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce available remedies respecting the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

Delay and Discretion Regarding Remedies

Beyond legal delays that could result from bankruptcy, the ability of the County to sell tax certificates in regard to delinquent Series 2025 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two (2) years. Similarly, the ability of the District to enforce collection of delinquent Series 2025 Assessments collected directly by the District will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2025 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Assessments which are not being collected pursuant to the Uniform Method and that are delinquent, such landowner may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action.

Limitation on Funds Available to Exercise Remedies

In the event of a default by a landowner in payment of Series 2025 Assessments that are not collected pursuant to the Uniform Method, the District is required under the Indenture to fund the costs of foreclosure of such delinquent Series 2025 Assessments. It is possible that the District will not have sufficient funds and will be compelled to request the Owners of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay such costs. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amount of Series 2025 Bond proceeds that can be used for such purpose. As a result, there may be insufficient funds for the exercise of remedies.

Determination of Land Value upon Default

The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the CIP is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. In other words, the value of the land could potentially be ultimately less than the debt secured by the Series 2025 Assessments associated with it. To the extent that the realizable or market value of the land benefited by the CIP is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land, or the District to realize sufficient value from a foreclosure action, may be adversely affected. Such

adverse effect could render the District unable to collect delinquent Series 2025 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2025 Bonds.

Landowner Challenge of Assessed Valuation

Under State law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Assessment, even though the landowner is not contesting the amount of the Series 2025 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification, or a determination that their improvements were substantially complete, must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Failure to Comply with Assessment Proceedings

The District is required to comply with statutory procedures in levying the Series 2025 Assessments. Failure of the District to follow these procedures could result in the Series 2025 Assessments not being levied or potential future challenges to such levy.

Other Taxes and Assessments

The willingness and/or ability of a landowner within the District to pay the Series 2025 Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District, such as the County, the Charlotte County School District and other special districts could, without the consent of the owners of the land within the District, impose additional taxes or assessments on the property within the District. County, municipal, school and special district taxes and assessments, including the Series 2025 Assessments, and any additional voter-approved ad valorem taxes, are payable at the same time when collected pursuant to the Uniform Method, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment, such taxpayer cannot designate specific line items on the tax bill as deemed paid in full. Therefore, any failure by a landowner to pay any one line item, whether or not it is the Series 2025 Assessment, would result in such landowner's Series 2025 Assessment to not be fully collected, which could have a significant adverse impact on the District's ability to make full or punctual payment of Debt Service on the Series 2025 Bonds.

As referenced herein, the Series 2025 Assessments are levied on lands within the District that are also subject to O&M Assessments and HOA fees. See "THE DEVELOPMENT – Fees and Assessments" herein.

Limited Secondary Market

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of the Development, existing market conditions and other factors.

Inadequacy of Series 2025 Reserve Account

Some of the risk factors described herein, if materialized, could result in a delay in the collection of the Series 2025 Assessments or a failure to collect the Series 2025 Assessments, but may not affect the timely payment of Debt Service on the Series 2025 Bonds because of the Series 2025 Reserve Account established by the District for the Series 2025 Bonds. However, the ability of the District to fund deficiencies caused by delinquent or delayed Series 2025 Assessments is dependent upon the amount, duration and frequency of such deficiencies or delays. If the District has difficulty in collecting the Series 2025 Assessments, the Series 2025 Reserve Account could be rapidly depleted and the ability of the District to pay Debt Service on the Series 2025 Bonds could be materially adversely affected. Owners should note that although the Indenture contains the Series 2025 Reserve Account Requirement for the Series 2025 Reserve Account, and a corresponding obligation on the part of the District to replenish the Series 2025 Reserve Account to the Series 2025 Reserve Account Requirement, the District does not have a designated revenue source for replenishing the Series 2025 Reserve Account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Assessments in order to provide for the replenishment of the Series 2025 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – No Parity Bonds; Limitation on Parity Assessments" herein.

Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys available in the Series 2025 Reserve Account to make up deficiencies or delays in collection of Series 2025 Assessments.

Regulatory and Environmental Risks

The Development is subject to comprehensive federal, State and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely

affect the completion of the Development. See "THE DEVELOPMENT – Zoning/Permitting" herein.

The value of the land within the District, the ability to complete the CIP or develop the Development, and the likelihood of timely payment of Debt Service on the Series 2025 Bonds could be affected by environmental factors with respect to the lands in the District, such as contamination by hazardous materials. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the lands within the District. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" herein.

Economic Conditions

The development of the Development may be affected by changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer or the District. Although the Development is anticipated to be developed as described herein, there can be no assurance that such development will occur or be realized in the manner or schedule currently anticipated.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurance can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2025 Bonds.

Infectious Viruses and/or Diseases

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs.

Completion of CIP

In the event the District does not have sufficient moneys on hand to complete the CIP, there can be no assurance that the District will be able to raise, through the issuance of bonds or otherwise, the moneys necessary to complete the CIP. Pursuant to the Indenture, the

District will covenant and agree that so long as the Series 2025 Assessments have not been Substantially Absorbed, it shall not issue any Additional Bonds secured by Assessments on lands subject at such time to the Series 2025 Assessments without the consent of the Majority Owners; provided however, that the consent of the Majority Owners shall not be required if either (a) the additional Assessments, when taking into account the Series 2025 Assessments, do not cause the aggregate annual debt service Assessments on such lands to exceed \$30.00 per front footage for each product type, or (b) the Series 2025 Assessments have been Substantially Absorbed. Notwithstanding the foregoing, the District shall not be precluded from issuing Additional Bonds secured by Assessments at any time on property then subject to the Series 2025 Assessments which the District certifies are necessary for health, safety, and welfare reasons or to remediate a natural disaster. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – No Parity Bonds; Limitation on Parity Assessments" herein. The Developer has agreed to fund or cause to be funded the completion of the CIP and will enter into the Completion Agreement with the District as evidence thereof. There can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Completion Agreement," "THE DEVELOPMENT," and "THE DEVELOPER" herein.

Undeveloped or partially developed land is inherently less valuable than developed land and provides less security to the Owners of the Series 2025 Bonds should it be necessary to institute proceedings due to the nonpayment of the Series 2025 Assessments. Failure to complete or substantial delays in the completion of the CIP due to litigation or other causes may reduce the value of the lands in the District and increase the length of time during which Series 2025 Assessments will be payable from undeveloped property and may affect the willingness and ability of the landowners to pay the Series 2025 Assessments when due and likewise the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds.

District May Not be Able to Obtain Permits

In connection with a foreclosure of lien of assessments prior to completion of a development, the Circuit Court in and for Lake County, Florida concluded that a community development district had no right, title or interest in any permits and approvals owned by the owner of the parcels so foreclosed. As discussed herein, the District and the Developer will enter into the Collateral Assignment upon issuance of the Series 2025 Bonds in which the Developer collaterally assigns to the District certain of its Development and Contract Rights relating to the CIP. Notwithstanding the foregoing, in the event that the District forecloses on the property subject to the lien of the Series 2025 Assessments to enforce payment thereof, the District may not have the right, title or interest in the permits and approvals owned by the Developer and failure to obtain any such permits or approvals in a timely manner could delay or adversely affect the completion of the Development. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Agreement for Assignment of Development Rights" herein.

Damage to District from Natural Disasters

The value of the lands subject to the Series 2025 Assessments could be adversely affected by flooding or wind damage caused by hurricanes, tropical storms, or other

catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the lands within the District unable to support the construction of the CIP or the development of the Development. The occurrence of any such events could materially adversely affect the District's ability to collect Series 2025 Assessments and pay Debt Service on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Interest Rate Risk; No Rate Adjustment for Taxability

The interest rates borne by the Series 2025 Bonds are, in general, higher than interest rates borne by other bonds of political subdivisions that do not involve the same degree of risk as investment in the Series 2025 Bonds. These higher interest rates are intended to compensate investors in the Series 2025 Bonds for the risk inherent in the purchase of the Series 2025 Bonds. However, such higher interest rates, in and of themselves, increase the amount of Series 2025 Assessments that the District must levy in order to provide for payment of Debt Service on the Series 2025 Bonds and, in turn, may increase the burden of landowners within the District, thereby possibly increasing the likelihood of non-payment or delinquency in payment of such Series 2025 Assessments.

The Indenture does not contain an adjustment of the interest rates on the Series 2025 Bonds in the event of a determination of taxability of the interest thereon. Such a change could occur as a result of the District's failure to comply with tax covenants contained in the Indenture or the Tax Certificate executed by the District upon issuance of the Series 2025 Bonds or due to a change in the United States income tax laws. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, Owners of the Series 2025 Bonds will be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties. Because the interest rates on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline. Prospective purchasers of the Series 2025 Bonds should evaluate whether they can own the Series 2025 Bonds in the event that the interest on the Series 2025 Bonds becomes taxable and/or the District is ever determined to not be a political subdivision for purposes of the Code and/or Securities Act.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this paragraph, the "Audited Bonds") issued by Village Center Community Development District ("Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local governmental body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable

from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements was closed without change to the tax-exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to Village Center CDD.

On February 23, 2016, the IRS issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provided guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump, the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (a) impose an undue financial burden on U.S. taxpayers, (b) add undue complexity to the federal tax laws, or (c) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that the Treasury Department and the IRS believed that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that the Treasury Department and the IRS would continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future. Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Village Center CDD and the TAMs may continue to be applicable in the absence of further guidance from the IRS.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status but has advised such districts that such districts must have public electors within five (5) years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six (6) years or when there are 250 qualified electors in the District. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all members of the Board were elected by the landowners within the District and none were elected by qualified

electors. Although it is impossible to predict whether the IRS will select the Series 2025 Bonds for audit, the District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rates on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline. See also "TAX MATTERS" herein.

Legislative Proposals and State Tax Reform

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2025 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been made and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2025 Bonds. There can be no assurance that any such legislation or proposal will be enacted and, if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for or marketability of the Series 2025 Bonds.

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming State legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "the

state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the assessments and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders." See "AGREEMENT BY THE STATE" herein.

Loss of Exemption from Securities Registration

Since the Series 2025 Bonds have not been, and will not be, registered under the Securities Act or any state securities laws, pursuant to the exemption for political subdivisions, and regardless of any potential IRS determination that the District is not a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could independently determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of the Series 2025 Bonds may not be able to rely on the exemption from registration relating to securities issued by political subdivisions. In that event, Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Prepayment and Redemption Risk

The Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of Prepayments of the Series 2025 Assessments by the Developer or subsequent owners of property within the District. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, Owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and Owners of any Premium Bonds (hereinafter defined) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" herein.

Performance of District Professionals

The District has represented to the Underwriter that it has selected its District Manager, Bond Counsel, District Counsel, Consulting Engineer, Assessment Consultant, Trustee and other professionals with the appropriate due diligence and care. While the foregoing professionals have each represented that they have the respective requisite experience to accurately and timely perform the duties assigned to them in such roles, the District does not guarantee the performance of such professionals.

No Rating or Credit Enhancement

No application for a rating or credit enhancement for the Series 2025 Bonds has been made, nor is there any reason to believe that the District would have been successful in obtaining either for the Series 2025 Bonds had application been made.

Mortgage Default and FDIC

In the event a bank forecloses on property in the District because of a default on a mortgage with respect thereto and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In

such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action on such property for failure to pay Series 2025 Assessments.

TAX MATTERS

General

The Code establishes certain requirements which must be met subsequent to the issuance of the Series 2025 Bonds in order that interest on the Series 2025 Bonds be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause interest on the Series 2025 Bonds to be included in federal gross income retroactive to the date of issuance of the Series 2025 Bonds, regardless of the date on which such non-compliance occurs or is ascertained. These requirements include, but are not limited to, provisions which prescribe yield and other limits within which the proceeds of the Series 2025 Bonds and the other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. The District has covenanted in the Indenture with respect to the Series 2025 Bonds to comply with such requirements in order to maintain the exclusion from federal gross income of the interest on the Series 2025 Bonds.

In the opinion of Bond Counsel, assuming compliance with certain covenants, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2025 Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Code and is not an item of tax preference for purposes of the federal alternative minimum tax; however, interest on the Series 2025 Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations.

Except as described above, Bond Counsel will express no opinion regarding other federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2025 Bonds; (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by fifteen percent (15%) of certain items, including interest on Series 2025 Bonds; (iii) the inclusion of interest on Series 2025 Bonds in earnings of certain foreign corporations doing business in the United States for purposes of the branch profits tax; (iv) the inclusion of interest on Series 2025 Bonds in passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year; and (v) the inclusion of interest on Series 2025 Bonds in "modified adjusted gross income" by recipients of certain Social Security and Railroad Retirement benefits for the purposes of determining whether such benefits are included in gross income for federal income tax purposes.

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the District, certificates of appropriate officers and certificates of public officials (including certifications as to the use of proceeds of the Series 2025 Bonds and of the property financed or refinanced thereby), without undertaking to verify the same by independent investigation.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2025 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND

CORPORATE BONDOWNERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDOWNERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to "backup withholding" at the rate specified in the Code with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Other Tax Matters

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2025 Bonds.

Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2025 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

On February 22, 2016, the Internal Revenue Service (the "IRS") issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provide guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. If adopted, the Proposed Regulations would have affected certain State and local governments that issue tax-exempt bonds, including community development districts such as the District. However, on July 24, 2017, in response to Executive Order

13789 issued by President Trump (the "Executive Order"), the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (i) impose an undue financial burden on U.S. taxpayers, (ii) add undue complexity to the federal tax laws, or (iii) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that Treasury and the IRS believe that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that Treasury and the IRS will continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future.

Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Villages and the Villages TAM (each as defined below) may continue to be applicable in the absence of further guidance from the IRS. Bond Counsel will render its opinion regarding the exclusion from gross income of interest on the Series 2025 Bonds as described below.

On May 30, 2013, the IRS delivered to Village Center CDD, a Florida special district established under Chapter 190, Florida Statutes, a private ruling, called a technical advice memorandum (the "Villages TAM"), in connection with the examination by the IRS of bonds issued by the Village Center CDD (the "Audited Bonds"). The Villages TAM concluded that, despite having certain eminent domain powers, the Village Center CDD is not a political subdivision permitted to issue tax-exempt bonds based on a number of facts including that its governing board is elected by a small group of landowners, and that it "was organized and operated to perpetuate private control and avoid indefinitely responsibility to a public electorate, either directly or through another elected state or local governmental body."

The Villages TAM, as a private, non-precedential, ruling, binds only the IRS and the Village Center CDD, and only in connection with the Audited Bonds. Moreover, the cited legal basis for the Villages TAM is extremely limited, and, therefore, the value of the Villages TAM as guidance is also limited. Nonetheless, the breadth and force of the language used in the Villages TAM may reflect the disfavor of the IRS toward governmental entities with governing boards elected by landowners, and this position may lead the enforcement branch of the IRS to select bonds of other issuers with landowner-controlled boards for examination.

In July 2016, the IRS closed the examination of the Audited Bonds with no change to their tax-exempt status. Although the audit was closed with no adverse impact on the Audited Bonds, the IRS's motivations and rationale for closing the examination are unknown. The Village Center CDD refunded the Audited Bonds with taxable bonds in 2014.

Like the board of the Village Center CDD, the Board of Supervisors of the District is necessarily elected by the landowners in the District since there are not yet enough qualified electors residing in the District to transition the Board of Supervisors to a resident-elected Board of Supervisors. The Act, which contains the uniform statutory charter for all community development districts and by which the District is governed, delegates to the District certain traditional sovereign powers including, but not limited to, eminent domain, ad valorem taxation and regulatory authority over rates, fees and charges for district facilities. On the basis of the Act and certain representations by the District forming a part of the District's tax certificate as to its reasonable expectations of transition to a resident-

elected Board of Supervisors, it does not appear from the facts and circumstances that the District was organized to avoid indefinitely responsibility to a public electorate. On the basis of the foregoing and other factors, Bond Counsel has concluded that under current law the District is a political subdivision for purposes of Section 103 of the Code, notwithstanding that its Board of Supervisors is temporarily elected by landowners. Bond counsel intends to deliver its unqualified approving opinion in the form attached hereto as "APPENDIX D – FORM OF OPINION OF BOND COUNSEL."

The release of the Villages TAM may cause an increased risk of examination of the Series 2025 Bonds. Owners of the Series 2025 Bonds are advised that if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2025 Bonds may have limited rights to participate in such procedure. The Indenture does not provide for any adjustment to the interest rates borne by the Series 2025 Bonds in the event of a change in the tax-exempt status of the Series 2025 Bonds. The commencement of an audit or an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds could adversely impact both liquidity and pricing of the Series 2025 Bonds in the secondary market.

Tax Treatment of Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2025 Bonds maturing on _____ 1, 20__ through and including _____ 1, 20__ (collectively, the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and, if applicable, interest rate, was sold is "original issue discount." Original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded periodically. A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondowners of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bond.

Tax Treatment of Bond Premium

The difference between the principal amount of the Series 2025 Bonds maturing on _____ (collectively, the "Premium Bonds"), and the initial offering price to the public, (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity, and, if applicable, interest rate, was sold constitutes

to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each of the Premium Bonds, which ends on the earlier of the maturity or call date for each of the Premium Bonds which minimizes the yield on such Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Bondholders of the Premium Bonds are advised that they should consult with their own tax advisors with respect to the state and local tax consequences of owning such Premium Bonds.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder, requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District has not previously issued any bonds or other indebtedness and the District is not and has not ever been in default as to principal and interest on any bonds or other debt obligations.

VALIDATION

The Series 2025 Bonds are a portion of the Bonds that were validated by a Final Judgment of the Circuit Court for Charlotte County, Florida, entered on August 27, 2024. The period during which an appeal can be taken has expired with no appeal being taken.

LITIGATION

District

There is no pending or, to the knowledge of the District, any threatened litigation against the District of any nature whatsoever which in any way questions or affects the validity of the Series 2025 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the execution of the Indenture. Neither the creation, organization nor existence of the District, nor the title of the present members of the Board has been challenged.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs. In the opinion of District Counsel, there are no actions presently pending or threatened, the adverse outcome of which would have a material adverse effect on the availability of the Series 2025 Trust Estate or the ability of the District to pay the Series 2025 Bonds from the Series 2025 Trust Estate.

Developer

In connection with the issuance of the Series 2025 Bonds, the Developer will represent to the District that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the Development as described herein or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINUING DISCLOSURE

General

In order to comply with the continuing disclosure requirements of Rule 15c2-12(b)(5) of the SEC (the "Rule"), the District, the Developer and Wrathell, Hunt & Associates, LLC, as dissemination agent (the "Dissemination Agent"), will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the form of which is attached hereto as APPENDIX E. Pursuant to the Disclosure Agreement, the District and the Developer have each covenanted for the benefit of the Owners of the Series 2025 Bonds to provide to the Dissemination Agent certain financial information and operating data relating to the District, the Development and the Series 2025 Bonds (the "Reports"), and to provide notices of the occurrence of certain enumerated material events. Such covenants by the District and the Developer shall only apply so long as the Series 2025 Bonds remain Outstanding under the Indenture or so long as the District or the Developer remain an "obligated person" pursuant to the Rule.

The Reports will be filed by the Dissemination Agent with the Municipal Securities Rulemaking Board's Electronic Municipal Markets Access ("EMMA") repository described in the form of the Disclosure Agreement attached hereto as APPENDIX E. The notices of material events will also be filed by the Dissemination Agent with EMMA. The specific nature of the information to be contained in the Reports and the notices of material events are described in APPENDIX E. The Disclosure Agreement will be executed at the time of issuance of the Series 2025 Bonds. With respect to the Series 2025 Bonds, no parties other than the District and the Developer are obligated to provide, nor are expected to provide, any continuing disclosure information with respect to the Rule. The foregoing covenants have been made in order to assist the Underwriter in complying with the Rule.

District Continuing Compliance

Since this is the first bond issuance of the District, the District has not previously entered into any continuing disclosure undertakings as an obligated person during the past five (5) years.

Developer Continuing Compliance

During the five (5) years immediately preceding the issuance of the Series 2025 Bonds, the Developer has been subject to continuing disclosure undertakings with respect to bonds issued by various other community development districts in the State (the "Prior Undertakings"). A review of filings made pursuant to the Prior Undertakings indicates that

the Developer failed to file certain quarterly reports, failed to timely file certain quarterly reports, and failed to file certain quarterly reports on all CUSIP numbers. Failure to file notices and failure to timely file notices were not always filed. Other than as set forth above, the Developer has not materially failed to comply with its requirements under the Prior Undertakings. [CONFIRM]

(b) To the extent any of the items set forth in subsections (i) through (vii) above are included in the Audited Financial Statements referred to in subsection (viii) above, they do not have to be separately set forth. Any or all of the items listed above may be incorporated by specific reference to documents available to the public on the MSRB Website or filed with

the SEC, including offering documents of debt issues of the District or related public entities, which have been submitted to the Repository. The District shall clearly identify any document incorporated by reference.

(c) The District and the Disclosure Representative of the District represent and warrant that they will supply, in a timely fashion, any information available to the District or the Disclosure Representative of the District and reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 3(a) hereof; provided that the Audited Financial Statements may be submitted separately from the balance of the Annual Report and later than the date required above, but in no event later than the Audited Financial Statements Filing Date, if they are not available by the Annual Filing Date. If the Audited Financial Statements are not available at the time of the filing of the Annual Report, unaudited financial statements are required to be delivered as part of the Annual Report in a format similar to the Audited Financial Statements. If the District's Fiscal Year changes, the District shall give notice of such change in the same manner as for a Listed Event under Section 7(a). The Dissemination Agent shall immediately file the Annual Report or Audited Financial Statements, as applicable, upon receipt from the District with each Repository.

(b) If on the fifteenth (15th) calendar day prior to each Annual Filing Date and/or Audited Financial Statements Filing Date, the Dissemination Agent has not received a copy of the Annual Report or Audited Financial Statements, as applicable, the Dissemination Agent shall contact the Disclosure Representative of the District by telephone and in writing (which may be by e-mail) to remind the District of its undertaking to provide the Annual Report or Audited Financial Statements, as applicable, pursuant to Section 4(a) above. Upon such reminder, the Disclosure Representative of the District shall either (i) provide the Dissemination Agent with an electronic copy of the Annual Report or Audited Financial Statements, as applicable, in accordance with Section 4(a) above, or (ii) instruct the Dissemination Agent in writing that the District will not be able to file the Annual Report or Audited Financial Statements, as applicable, within the time required under this Disclosure

(c) The Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report or Audited Financial Statements, as applicable, the name, address and filing requirements of any Repository; and

5. Content of Quarterly Reports.

(a) Each Quarterly Report shall contain the following information with respect to the lands owned by the Developer in the Development if such information is not otherwise provided pursuant to subsection (b) of this Section 5:

(iii) the number of lots closed with builders subject to the Assessments;

(iv) the number of residential units closed with end users subject to the Assessments;

(x) updated plan of finance for the Development (i.e., status of any credit enhancement, issuance of additional bonds to complete project, draw on credit line of Developer or an affiliate, additional mortgage debt, etc.) that would affect property subject to the Assessments;

(xi) any event that has a material adverse impact on the implementation of the Development as described in the Limited Offering Memorandum or on the Developer's ability to undertake the Development as described in the Limited Offering Memorandum that would affect property subject to the Assessments; and

(xii) any amendment or waiver of the provisions hereof as described in Section 11 hereof.

(b) Any of the items listed in subsection (a) above may be incorporated by reference from other documents which are available to the public on the MSRB Website or filed with the SEC. The Developer shall clearly identify each such other document so incorporated by reference.

(c) The Developer and the Disclosure Representative of the Developer each represent and warrant that they will supply, in a timely fashion, any information reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The Developer acknowledges and agrees that the information to be collected and disseminated by the Dissemination Agent will be provided by the Developer, the Disclosure Representative of the Developer and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the Developer, the Disclosure Representative of the Developer or others as thereafter disseminated by the Dissemination Agent.

(d) If the Developer sells, assigns or otherwise transfers ownership of real property in the Development subject to the Assessments to a third party, which will in turn be an Obligated Person for purposes of this Disclosure Agreement as a result thereof (a "**Transfer**"), the Developer hereby agrees to require such third party to assume the disclosure obligations of the Developer hereunder for so long as such third party is an Obligated Person hereunder, to the same extent as if such third party were a party to this Disclosure Agreement. The Developer involved in such Transfer shall promptly notify the District and the Dissemination Agent in writing of the Transfer. For purposes of Sections 5, 6, 7 and 9 hereof, the term "**Developer**" shall be deemed to include each of the Developer and any third party that becomes an Obligated Person hereunder as a result of a Transfer. In the event that the Developer remains an Obligated Person hereunder following any Transfer, nothing herein shall be construed to relieve the Developer from its obligations hereunder.

6. Provision of Quarterly Reports.

(a) The Developer, so long as it is an Obligated Person for purposes of this Disclosure Agreement, shall provide a Quarterly Report to the Dissemination Agent no later than January 31 (for each calendar quarter ending December 31), April 30 (for each calendar quarter ending March 31), July 31 (for each calendar quarter ending June 30), and October 31 (for each calendar quarter ending September 30) after the end of each calendar quarter,

commencing January 31, 2026, for the calendar quarter ending December 31, 2025; provided, however, that so long as the Developer is a reporting company, such dates shall be extended to the date of filing of its respective 10-K or 10-Q, if later, as the case may be (each, a **"Quarterly Filing Date"**). At such time as the Developer is no longer an Obligated Person, the Developer will no longer be obligated to prepare any Quarterly Report pursuant to this Disclosure Agreement. The Dissemination Agent shall immediately file the Quarterly Report upon receipt from the Developer with each Repository.

(b) If on the seventh (7th) calendar day prior to each Quarterly Filing Date the Dissemination Agent has not received a copy of the Quarterly Report due on such Quarterly Filing Date, the Dissemination Agent shall contact the Disclosure Representative of the Developer by telephone and in writing (which may be by e-mail) to remind the Developer of its undertaking to provide the Quarterly Report pursuant to Section 6(a) above. Upon such reminder, the Disclosure Representative of the Developer shall either (i) provide the Dissemination Agent with an electronic copy of the Quarterly Report in accordance with Section 6(a) above, or (ii) instruct the Dissemination Agent in writing that the Developer will not be able to file the Quarterly Report within the time required under this Disclosure Agreement and state the date by which such Quarterly Report will be provided. If the Dissemination Agent has not received a Quarterly Report that contains the information in Section 5 of this Disclosure Agreement by the Quarterly Filing Date, a Listed Event described in Section 7(a)(xv) shall have occurred and the District and the Developer hereby direct the Dissemination Agent to immediately send a notice to each Repository in electronic format as required by such Repository, no later than the following Business Day in substantially the form attached as Exhibit A hereto, with a copy to the District.

(c) The Dissemination Agent shall:

(i) determine prior to each Quarterly Filing Date the name, address and filing requirements of each Repository; and

(ii) promptly upon fulfilling its obligations under subsection (a) above, file a notice with the Developer and the District certifying that the Quarterly Report has been provided pursuant to this Disclosure Agreement, stating the date(s) it was provided and listing any Repository to which it was provided.

7. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 7, the District shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds and the Developer shall give, or cause to be given, notice of the occurrence of items (x), (xii), (xiii), (xv), (xvi), (xvii) and (xviii) of the following events to the Dissemination Agent in writing in sufficient time in order to allow the Dissemination Agent to file notice of the occurrence of such Listed Event in a timely manner not in excess of ten (10) Business Days after the occurrence of the event, with the exception of the event described in item (xv) below, which notice shall be given in a timely manner:

(b) The notice required to be given in Section 7(a) above shall be filed with any Repository, in electronic format as prescribed by such Repository.

8. Identifying Information. In accordance with the Rule, all disclosure filings submitted pursuant to this Disclosure Agreement to any Repository must be accompanied by identifying information as prescribed by the Repository. Such information may include, but not be limited to: (a) the category of information being provided; (b) the period covered by any Annual Financial Information, financial statement or other financial information or operating data; (c) the issues or specific securities to which such documents are related (including CUSIP numbers, issuer name, state, issue description/securities name, dated date, maturity date, and/or coupon rate); (d) the name of any Obligated Person other than the District; (e) the name and date of the document being submitted; and (f) contact information for the submitter.

9. Termination of Disclosure Agreement. The District's obligations hereunder shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, so long as there is no remaining liability of the District for payment of the Bonds, or if the Rule is repealed or no longer in effect. The Developer's obligations hereunder shall terminate at the earlier of the legal defeasance, prior redemption or payment in full of all of the Bonds, or at such time as the Developer is no longer an Obligated Person. If any such termination occurs prior to the final maturity of the Bonds, the District and/or the Developer shall give notice of such termination in the same manner as for a Listed Event under Section 7.

10. Dissemination Agent. The District will either serve as the Dissemination Agent or appoint one under this Disclosure Agreement. Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the District or the Dissemination Agent, the District agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of the Dissemination Agent under this Disclosure Agreement for the benefit of the Owners of the Bonds. If at any time there is not any other designated Dissemination Agent, the District shall be deemed to be the Dissemination Agent. Notwithstanding any replacement or appointment of a successor, the District shall remain liable until payment in full for any and all sums owed and payable to the Dissemination Agent hereunder. The initial Dissemination Agent shall be Wrathell, Hunt & Associates, LLC. The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Wrathell, Hunt & Associates, LLC. Wrathell, Hunt & Associates, LLC may terminate its role as Dissemination Agent at any

time upon delivery of written notice to the District and the Developer. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the District or the Developer pursuant to this Disclosure Agreement.

11. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the District, the Developer and the Dissemination Agent (if the Dissemination Agent is not the District) may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4, 5(a), 6 or 7, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the District and/or the Developer, or the type of business conducted;

(b) the Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of counsel expert in federal securities laws, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the amendment or waiver either (i) is approved by the holders or Beneficial Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of holders or Beneficial Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or Beneficial Owners of the Bonds.

Notwithstanding the foregoing, the District, the Developer and the Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the SEC from time to time without any other conditions.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the District and/or the Developer shall describe such amendment in its next Annual Report or Quarterly Report, as applicable, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change in accounting principles, on the presentation) of financial information or operating data being presented by the District or the Developer, as applicable. In addition, if the amendment relates to the accounting principles to be followed by the District in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 7(a), and (ii) the Annual Report or Audited Financial Statements, as applicable, for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

12. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the District or the Developer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is required by this

Disclosure Agreement. If the District or the Developer chooses to include any information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the District or the Developer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Quarterly Report, or notice of occurrence of a Listed Event.

13. Default. In the event of a failure of the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of the Participating Underwriter or the Beneficial Owners of more than fifty percent (50%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, shall) or any Beneficial Owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. No default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

14. Duties of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA compliant format. Anything herein to the contrary notwithstanding, in the event that a Disclosure Representative and the Dissemination Agent are the same party, such party's limited duties in their capacity as Dissemination Agent, as described hereinabove, shall not in any way relieve or limit such party's duties in their capacity as Disclosure Representative under this Disclosure Agreement.

15. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the District, the Developer, the Dissemination Agent, the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds (the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds being hereby deemed express third-party beneficiaries of this Disclosure Agreement) and shall create no rights in any other person or entity.

16. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

17. Governing Law. This Disclosure Agreement shall be governed by the laws of the State and federal law.

18. Trustee Cooperation. The District represents that the Dissemination Agent is a bona fide agent of the District and directs the Trustee to deliver to the Dissemination Agent, at the expense of the District, any information or reports it requests that the District has a right to request from the Trustee (inclusive of balances, payments, etc.) that are in the possession of and readily available to the Trustee.

19. Binding Effect. This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Developer or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successors or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

20. Undertakings. The Developer represents that it has instituted internal processes to provide information to the Dissemination Agent on a timely basis and obtained assurances from the Dissemination Agent that they will in turn request the required reporting information timely and file such information timely with the appropriate Repository.
